

**DRAFT Revision to TPO List of Priority Projects Process\***

**Region-Wide Priority Projects – Transportation Capacity Projects**

This list is perhaps the most important. This list of 20 projects represents the larger capacity and high priority projects throughout the TPO area. This list does not change substantially from year to year, as projects are typically only removed from the list when construction funding has been programmed.

*Proposed Revision to Project Total*

*Increase total number of projects to 25 with the 5 additional projects distributed as follows:*

- Clay County – 1*
- Duval County – 2*
- Nassau County – 1*
- St. Johns County – 1*

*Proposed TPO Policy*

*A minimum of one project from each county must be within the 2020 Census Designated Urban Areas (> 50,000 population) of the North Florida TPO. (See map below)*

*\*Pending approval by the North Florida TPO Board on February 13, 2025.*
