Metro Park Current vs. Proposed Permitted Hours & Sound Levels

(a) The hours of event production utilizing amplified sound in the park ("Permitted Hours") is restricted to:

Current	Proposed
1. Friday – No minimum start time; up to 11 p.m. 2. Saturday – No minimum start time; up to 11 p.m. 3. Sunday - No minimum start time; up to 11 p.m. 4. Weekday events - No minimum start time; up to 11 p.m.	1. Friday – 12 p.m. to 11 p.m. 2. Saturday - 11 a.m. to 11 p.m. 3. Sunday – 12 p.m. to 9 p.m. (unless prior to a Monday which is a holiday in which case the permitted hours are from 11 a.m. to 11 p.m.) 5. Weekday events, other than Holiday events, are 12 p.m. to 10 p.m. 6. No sound checks shall begin earlier than the later of 9 a.m. on the day of the scheduled Event; or four (4) hours prior to the scheduled beginning time on each day of an Event.

(b) The maximum allowable sound level, as measured no more than 100 feet perpendicular from the stage at the sound board, shall not exceed the following Broadband and Octave Bands levels limits during the applicable time frames:

Current - As measured from receiving property boundary (Class B)		**Proposed** – As measured no more than 100 feet perpendicular from the stage at the sound board (If not using steering technique)
