JACKSONVILLE WATERWAYS COMMISSION

HISTORY & PURPOSE OF THIS COMMISSION

The Jacksonville Waterways Commission was established in 1984 to study and make recommendations to the City Council with respect to the improvement, development and protection of the St. Johns River and all tidal waters in Duval County. The Commission is charged to formulate an overall plan for dealing with any problems that exist the St. Johns River and Duval County tidal waters and devise methods of developing future uses of those waterways.

The Commission serves as the Duval County committee to review rules proposed by the Florida Fish and Wildlife Conservation Commission governing speed and operation of motorboats to protect manatees. And, it acts as a coordinating agency and specialized advisor for governmental units and for programs and activities affecting the improvement, development and protection of the St. Johns River and all tidal waters in Duval County.

MANATEE SIGHTINGS MAP

Check out the JU Manatee Research Center Online
<https://www.ju.edu/marco/>

The information contained in this email and the manatee sighting maps are the results of aerial surveys conducted by Jacksonville University under an agreement with COJ. The manatee sightings represent the known minimum number of animals and their location at the time of the flight. The numbers may be higher and the animals change locations frequently. The information is an indication of the number and the location of manatees and subject to change daily.

Registration closes Oct 18 Pierside at Beach Marine 904-612-3705

UPCOMING HOLIDAY TRADITION EVENT

JACKSONVILLE LIGHT BOAT PARADE RETURNS AS A HOLIDAY TRADITION

City to once again produce holiday event

JACKSONVILLE, Fla., July 12, 2018 – A Jacksonville holiday tradition is making its return to Thanksgiving weekend. The City of Jacksonville is excited to announce the Jacksonville Light Boat Parade will be held [on Saturday, Nov. 24, 2018](#) on the St. Johns River.

The Jacksonville Light Boat Parade has been a holiday tradition for more than 30 years. Vessels of all shapes and sizes adorn their hulls with festive decorations as they float along the north and south banks of the St. John River. Residents and visitors alike gather along the north and south riverbanks in downtown Jacksonville to witness this magical event. The evening then culminates with one of the best fireworks show on the First Coast featuring “waterfalls” off of the Main Street and Acosta Bridges.

The boat parade will begin [at 6:30 p.m.](#) Boats will start at Metropolitan Park and follow along the Northbank Riverwalk to the Fuller Warren Bridge. The parade will then cross to the south bank and follow along the Riverwalk to the Duval County School Board building.

Captains and crews of registered motor-assisted vessels are invited to participate in the Jacksonville Light Boat Parade. Registration is open and participation is free.

Since 2014, the event has been produced by JaxSports and the date of the parade eventually moved to coincide with the organization's namesake football game – the TaxSlayer Bowl. The 2018 Jacksonville Light Parade will again be produced by the City of Jacksonville.
