			3
		1	Mr. Kilgore, do you want to come on up and
		2	do a kind of a general overview of all
	CITY OF JACKSONVILLE	3	these?
	TOWER REVIEW COMMITTEE	4	
	MEETING	-	(Audience member approaches the podium.)
		5	THE CHAIRMAN: And then we'll start to
		6	cruise through them.
	Proceedings held on Thursday, November 3, 2022	7	AUDIENCE MEMBER: Good morning. Thank
	commencing at 9:00 a.m., City Hall, Committee Room B,	8	you.
	1st Floor, 117 West Duval Street, Jacksonville, Florida,	9	My name is Randy Kilgore. I'm with Ansco
	before Diane M. Tropia, FPR, a Notary Public in and for	10	& Associates. We're the development vendor for
	the State of Florida at Large.	11	AT&T here in the Jacksonville area.
		12	And what we've got before the Committee
	PRESENT:	13	today is several small cell colocations on
	RORY DIAMOND, Chairman. REGGIE GAFFNEY, Committee Member.	14	existing poles. And these are small cells.
	RANDY WHITE, Committee Member. JASON PORTER, Committee Member.		
		15	They're basically mini cell sites that
	ALSO PRESENT:	16	are (inaudible) to help with network capacity
		17	issues. So you have your traditional macro
	SHARON WYSKIEL, Office of General Counsel. BRUCE LEWIS, Planning and Development Dept.	18	sites that are taller towers that provide
		19	coverage to a larger area, but these small
		20	cells specifically are targeted to offload
		21	capacity from the macro sites. You know,
		22	everyone with smart phones and all the data
		23	transfers that take place through the air
		24	waves; these small cells are needed to make a
		25	better connection and higher data speeds for
	Diang M. Tropia, Inc., Post Office Box 2375, Jacksonville, , FL 32203 (904) 821-0500		Diane M. Tropia, Inc., Post Office Box 2375, Jacksonville, FL 32203

•	November 3, 2022 9:00 a.m.	1	
2	5.00 d.m.	2	THE CHAIRMAN: Gotcha. And so we've
-		3	got are all seven of these yours?
3	THE CHAIRMAN: The Tower Review Committee	4	MR. KILGORE: That is correct. We do have
4	will come to order for Thursday, November 3rd,	5	seven. I've also got one more that I worked
5	2022.	6	with Tanja McCoy on. I've got a report
6	We'll do introductions. We'll start on	7	prepared for it, but it is one it's an FDOT
7	the right.	8	right-of-way, so she preferred me to just bring
8	MR. LEWIS: Thank you.	9	that before the committee on its own. I've
9	Bruce Lewis, Planning and Development	10	got
10	Department.	11	THE CHAIRMAN: So we'll do that another
11	THE CHAIRMAN: Good morning.	12	day?
1		13	-
12	Rory Diamond, District 13.	13	MR. KILGORE: I mean, it possible I'd like
12 13	Rory Diamond, District 13. COUNCIL MEMBER WHITE: Randy White.		MR. KILGORE: I mean, if possible I'd like
13	COUNCIL MEMBER WHITE: Randy White,	14	to do it today. I've got printouts, but
13 14	COUNCIL MEMBER WHITE: Randy White, District 12.	14 15	to do it today. I've got printouts, but it's just like the others, but it's
13 14 15	COUNCIL MEMBER WHITE: Randy White, District 12. COUNCIL MEMBER GAFFNEY: Reggie Gaffney,	14 15 16	to do it today. I've got printouts, but it's just like the others, but it's THE CHAIRMAN: Ms. Sharon, can we do that
13 14 15 16	COUNCIL MEMBER WHITE: Randy White, District 12. COUNCIL MEMBER GAFFNEY: Reggie Gaffney, District 7.	14 15 16 17	to do it today. I've got printouts, but it's just like the others, but it's THE CHAIRMAN: Ms. Sharon, can we do that if it's not noticed? I don't think we can.
13 14 15 16 17	COUNCIL MEMBER WHITE: Randy White, District 12. COUNCIL MEMBER GAFFNEY: Reggie Gaffney, District 7. MS. WYSKIEL: Sharon Wyskiel, Office of	14 15 16 17 18	to do it today. I've got printouts, but it's just like the others, but it's THE CHAIRMAN: Ms. Sharon, can we do that if it's not noticed? I don't think we can. MS. WYSKIEL: I don't think it would
13 14 15 16 17 18	COUNCIL MEMBER WHITE: Randy White, District 12. COUNCIL MEMBER GAFFNEY: Reggie Gaffney, District 7. MS. WYSKIEL: Sharon Wyskiel, Office of General Counsel.	14 15 16 17 18 19	to do it today. I've got printouts, but it's just like the others, but it's THE CHAIRMAN: Ms. Sharon, can we do that if it's not noticed? I don't think we can. MS. WYSKIEL: I don't think it would have to be part of the agenda for the public to
13 14 15 16 17 18 19	COUNCIL MEMBER WHITE: Randy White, District 12. COUNCIL MEMBER GAFFNEY: Reggie Gaffney, District 7. MS. WYSKIEL: Sharon Wyskiel, Office of General Counsel. THE CHAIRMAN: Okay. So we're going to	14 15 16 17 18 19 20	to do it today. I've got printouts, but it's just like the others, but it's THE CHAIRMAN: Ms. Sharon, can we do that if it's not noticed? I don't think we can. MS. WYSKIEL: I don't think it would have to be part of the agenda for the public to be
13 14 15 16 17 18 19 20	COUNCIL MEMBER WHITE: Randy White, District 12. COUNCIL MEMBER GAFFNEY: Reggie Gaffney, District 7. MS. WYSKIEL: Sharon Wyskiel, Office of General Counsel. THE CHAIRMAN: Okay. So we're going to open these up as regular public hearings, and	14 15 16 17 18 19 20 21	to do it today. I've got printouts, but it's just like the others, but it's THE CHAIRMAN: Ms. Sharon, can we do that if it's not noticed? I don't think we can. MS. WYSKIEL: I don't think it would have to be part of the agenda for the public to be THE CHAIRMAN: Okay.
13 14 15 16 17 18 19 20 21	COUNCIL MEMBER WHITE: Randy White, District 12. COUNCIL MEMBER GAFFNEY: Reggie Gaffney, District 7. MS. WYSKIEL: Sharon Wyskiel, Office of General Counsel. THE CHAIRMAN: Okay. So we're going to open these up as regular public hearings, and we're just going to scoot all the way down	14 15 16 17 18 19 20	to do it today. I've got printouts, but it's just like the others, but it's THE CHAIRMAN: Ms. Sharon, can we do that if it's not noticed? I don't think we can. MS. WYSKIEL: I don't think it would have to be part of the agenda for the public to be
13 14 15 16 17 18 19 20 21 22	COUNCIL MEMBER WHITE: Randy White, District 12. COUNCIL MEMBER GAFFNEY: Reggie Gaffney, District 7. MS. WYSKIEL: Sharon Wyskiel, Office of General Counsel. THE CHAIRMAN: Okay. So we're going to open these up as regular public hearings, and we're just going to scoot all the way down to keep me in line, Ms. Sharon to item	14 15 16 17 18 19 20 21	to do it today. I've got printouts, but it's just like the others, but it's THE CHAIRMAN: Ms. Sharon, can we do that if it's not noticed? I don't think we can. MS. WYSKIEL: I don't think it would have to be part of the agenda for the public to be THE CHAIRMAN: Okay.
13 14 15 16 17 18 19 20 21 22 23	COUNCIL MEMBER WHITE: Randy White, District 12. COUNCIL MEMBER GAFFNEY: Reggie Gaffney, District 7. MS. WYSKIEL: Sharon Wyskiel, Office of General Counsel. THE CHAIRMAN: Okay. So we're going to open these up as regular public hearings, and we're just going to scoot all the way down to keep me in line, Ms. Sharon to item Roman numeral 2, subsection A. We'll start	14 15 16 17 18 19 20 21 22	to do it today. I've got printouts, but it's just like the others, but it's THE CHAIRMAN: Ms. Sharon, can we do that if it's not noticed? I don't think we can. MS. WYSKIEL: I don't think it would have to be part of the agenda for the public to be THE CHAIRMAN: Okay. MS. WYSKIEL: have an opportunity to
13 14 15 16 17 18 19 20 21 22 23 24	COUNCIL MEMBER WHITE: Randy White, District 12. COUNCIL MEMBER GAFFNEY: Reggie Gaffney, District 7. MS. WYSKIEL: Sharon Wyskiel, Office of General Counsel. THE CHAIRMAN: Okay. So we're going to open these up as regular public hearings, and we're just going to scoot all the way down to keep me in line, Ms. Sharon to item Roman numeral 2, subsection A. We'll start at with this first one, 20 Airport Center	14 15 16 17 18 19 20 21 22 23	to do it today. I've got printouts, but it's just like the others, but it's THE CHAIRMAN: Ms. Sharon, can we do that if it's not noticed? I don't think we can. MS. WYSKIEL: I don't think it would have to be part of the agenda for the public to be THE CHAIRMAN: Okay. MS. WYSKIEL: have an opportunity to speak on it.
13 14 15 16 17 18 19 20 21 22 23	COUNCIL MEMBER WHITE: Randy White, District 12. COUNCIL MEMBER GAFFNEY: Reggie Gaffney, District 7. MS. WYSKIEL: Sharon Wyskiel, Office of General Counsel. THE CHAIRMAN: Okay. So we're going to open these up as regular public hearings, and we're just going to scoot all the way down to keep me in line, Ms. Sharon to item Roman numeral 2, subsection A. We'll start at with this first one, 20 Airport Center Drive.	14 15 16 17 18 19 20 21 22 23 24	to do it today. I've got printouts, but it's just like the others, but it's THE CHAIRMAN: Ms. Sharon, can we do that if it's not noticed? I don't think we can. MS. WYSKIEL: I don't think it would have to be part of the agenda for the public to be THE CHAIRMAN: Okay. MS. WYSKIEL: have an opportunity to speak on it. MR. KILGORE: Okay. That's fine. MS. WYSKIEL: So we might want to defer
13 14 15 16 17 18 19 20 21 22 23 24	COUNCIL MEMBER WHITE: Randy White, District 12. COUNCIL MEMBER GAFFNEY: Reggie Gaffney, District 7. MS. WYSKIEL: Sharon Wyskiel, Office of General Counsel. THE CHAIRMAN: Okay. So we're going to open these up as regular public hearings, and we're just going to scoot all the way down to keep me in line, Ms. Sharon to item Roman numeral 2, subsection A. We'll start at with this first one, 20 Airport Center	14 15 16 17 18 19 20 21 22 23 24	to do it today. I've got printouts, but it's just like the others, but it's THE CHAIRMAN: Ms. Sharon, can we do that if it's not noticed? I don't think we can. MS. WYSKIEL: I don't think it would have to be part of the agenda for the public to be THE CHAIRMAN: Okay. MS. WYSKIEL: have an opportunity to speak on it. MR. KILGORE: Okay. That's fine.

1	that one for the next Tower Review Committee	1	THE CHAIRMAN: Sure. Okay. Sounds good.
2	meeting.	2	I just wanted to make sure
3	MR. KILGORE: Okay. Very good.	3	AUDIENCE MEMBER: Thank you.
4	THE CHAIRMAN: Okay. Well, let's	4	THE CHAIRMAN: that it wasn't one of
5	COUNCIL MEMBER WHITE: I have one	5	these ones that are noticed.
6	question.	6	All right. So let's just go ahead. Item
7	THE CHAIRMAN: Okay. Shoot. COUNCIL MEMBER WHITE: You said all of	7	Number 1, Mr. Kilgore.
8 9	them are existing poles. Is that even	8 9	MR. KILGORE: Yes. Airport THE CHAIRMAN: Pardon me. We need a staff
10	Christopher isn't there one that does not	10	report. I'm on it.
11	have a pole; Christopher Lane or Christopher	11	MR. LEWIS: It will be short and sweet.
12	Road?	12	So this one is on 20 Airport Center Drive.
13	MR. KILGORE: Do you have the CDN number	13	They are seeking to a variance to reduce the
14	on that one?	14	distance from a hydrant from 30 feet to
15	COUNCIL MEMBER WHITE: CDN number?	15	plus-or-minus 11 feet. There's an existing
16	MR. KILGORE: It would be like 9741	16	metal pole at this location. That will be
17	COUNCIL MEMBER WHITE: Well, let's see.	17	removed and replaced with a proposed pole. And
18	MR. KILGORE: I'm looking through the	18	the existing pole serves as a streetlight pole.
19	COUNCIL MEMBER WHITE: It was	19	The staff has reviewed this and find we
20	MR. KILGORE: I have the addresses here.	20	think that the variance to reduce the distance
21	One second.	21	is acceptable, and we're recommending approval.
22	(Commissioner Porter enters the	22	THE CHAIRMAN: Mr. Kilgore.
23	proceedings.)	23	MR. KILGORE: Yes. I agree with
24	COUNCIL MEMBER WHITE: 2975 Christopher	24	Mr. Lewis' findings.
25	Road. Up at the top it says a wood replacement	25	This fire hydrant is actually located
	Diane M. Tropia, Inc., Post Office Box 2375, Jacksonville, FL 32203		Diane M. Tropia, Inc., Post Office Box 2375, Jacksonville, FL 32203
	(904) 821-0300		(904) 821-0300
	6		8
1	pole. At the bottom it say there's not an	1	behind the streetlight. You know, typically,
2	existing pole at that location. MR. KILGORE: Okay. Here it is. I'm	2	in these situations, a lot of times the fire hydrant will be left or right, but the
	sorry. It's CDN 9741.84. It is a wood	3	streetlight this one is sitting in the grass
4	replacement pole.	5	behind it, but there should be no issue with
6	COUNCIL MEMBER WHITE: Okay. That could	6	the distance to the fire hydrant or the pole
7	be a misprint at the bottom where it says	7	being a hindrance since the pole is already
8	there's not an existing pole.	8	there.
9	All right. Thanks.	9	THE CHAIRMAN: Gotcha. Any other
10	MR. KILGORE: Okay. Sure.	10	questions?
11	THE CHAIRMAN: All right. So, with that,	11	COMMITTEE MEMBERS: (No response.)
12	let's go ahead and start with Item Number 1,	12	THE CHAIRMAN: We'll close the public
13	20 Airport Center Drive.	13	hearing and bring it back to the Committee.
14	Let me just do some housekeeping here.	14	COUNCIL MEMBER GAFFNEY: So I move to
15	Mr. Lehmann and Mr. Wiseman, do you have	15	approve it.
16	specific items that are being taken up today	16	COUNCIL MEMBER WHITE: Second.
17	that you want to talk on? That way I can call	17	THE CHAIRMAN: I've got a motion and a
18	you up at the right time, or is it just	18	second from Mr. White.
19	AUDIENCE MEMBER: No. Bruce Lewis just	19	Any other discussion?
20	informed us before the meeting started, the one	20	COMMITTEE MEMBERS: (No response.)
21	that we wanted to speak on is not on the agenda	21	THE CHAIRMAN: All those in favor of
22	today.	22	approving, please say aye.
23	THE CHAIRMAN: Okay. So	23	COMMITTEE MEMBERS: Aye.
24	AUDIENCE MEMBER: But I'd be glad to speak at the end of the meeting.	24 25	THE CHAIRMAN: Motion carries.
25	•	23	All right. Item Number 2, 715 Lomax Diane M. Tropia, Inc., Post Office Box 2375, Jacksonville, FL 32203
	Diane M. Tropia, Inc., Post Office Box 2375, Jacksonville, FL 32203

	9		11
1	Street. We'll open the public hearing and get	1	on vehicular, pedestrian traffic or parking
2	a staff report.	2	conditions. And, again, the staff is
3	Let the record reflect that Mr. Porter is	3	recommending approval.
4	here.	4	THE CHAIRMAN: If you're reducing you
5	MR. LEWIS: Thank you.	5	know, or getting a waiver for this distance of
6	This is an application for 715 Lomax	6	right-of-way, you're talking to the property
7	Street, again, seeking to reduce the minimum	7	owner, right?
8	distance from a driveway from 10 feet to 1 feet	8	COUNCIL MEMBER GAFFNEY: That's what I was
9	[sic]. There's an existing wood pole at this	9	going to ask.
10	location that will (inaudible) and be replaced	10	THE CHAIRMAN: You're letting them know
11	with the proposed pole.	11	that this is going on? Is there a notice
12	Again, staff has looked at this and finds	12	requirement?
13	it meets the standards and criteria. This	13	MR. LEWIS: I am not sure. And I might
14	waiver should not affect any of the traffic	14	have to ask Tanja about that, if these were
15	patterns or any of those instances, and we are	15	if there's a notice requirement. This is a
16	recommending approval.	16	section of the code that's
17	THE CHAIRMAN: Mr. Kilgore.	17	THE CHAIRMAN: Yeah. Sorry. I mean, the
18	MR. KILGORE: I agree with Mr. Lewis'	18	poles already exist, so
19	THE CHAIRMAN: He's saying everything you	19	MR. LEWIS: Right.
20	like? I like that.	20	THE CHAIRMAN: I mean, it's not a super
21	Any questions on this one?	21	big surprise.
22	COMMITTEE MEMBERS: (No response.)	22	MR. LEWIS: Right. It's being replaced
23 24	THE CHAIRMAN: All right. We'll close the public hearing and bring it back to the	23 24	with a new pole. THE CHAIRMAN: Gotcha.
24 25	Committee.	24 25	COUNCIL MEMBER GAFFNEY: And through the

1	COMMITTEE MEMBERS: Aye.	1	idea what that is
2	THE CHAIRMAN: Opposed, say nay.	2	MR. LEWIS: So I was not involved when
	COMMITTEE MEMBERS: (No response.)	3	this when the tower ordinance was enacted
3		-	
4	THE CHAIRMAN: Motion carries.	4	back in 2001, but at that time they determined
5	Item Number 7, 2975 Christopher Road.	5	that some towers were considered camouflage,
6	We'll open the public hearing and get a staff	6	what that definition meant, some were
7	report.	7	low-impact, and some were standard towers.
8	MR. LEWIS: This pole on Christopher Road,	8	I have a request that we to see whether
9	they're asking to reduce the distance from the	9	this proposed tower that they are asking for
10	driveway from 10 to 2 feet. Again, this	10	meets that camouflage design definition.
11	distance, although it seems you know, 2 feet	11	THE CHAIRMAN: Okay.
12	from the driveway, we feel it will not affect	12	MR. LEWIS: If you'll look in the
13	the vehicular or pedestrian traffic in that	13	application, right now the tower is a
14	area, and the Department is recommending	14	camouflage design. It's a single pole, the
15	approval.	15	antennas are on the inside.
16	THE CHAIRMAN: Anything to add on this,	16	This new design will be a canister
17	Mr. Kilgore?	17	that's it's well, each canister is
18	MR. KILGORE: No.	18	14 feet high, but there will be two, so it's
19	THE CHAIRMAN: Anything on that one,	19	28 feet, and it's 54 inches in diameter. So
20	Mr. White?	20	it's going to be larger like I said, there's
21	COUNCIL MEMBER WHITE: No.	21	a picture of it in there with the in
22	THE CHAIRMAN: All right. We'll close the	22	relation to the tower. It will certainly be
23	public hearing and bring it back to the	23	larger, but the antennas will be enclosed in
24	Committee.	24	there. And so they're asking if that meets the
25	COUNCIL MEMBER GAFFNEY: I move to	25	camouflage design.

1	it's erected, to make those two findings.	1	much more with our phones than we have in the
2	THE CHAIRMAN: So, Mr. Lewis, do you have	2	past.
3	a sorry, I'll go to Mr. Gaffney next.	3	COUNCIL MEMBER GAFFNEY: And through the
4	Do you have a recommendation on this?	4	Chair, my comments on this, I like it. I
5	Because I can see a tower. It doesn't look	5	don't I don't I have gotten several
_	like a clock tower. It doesn't look like a	-	-
6		6	complaints about the Christmas-tree-type towers
7	flagpole or a tree or anything to me. I'm not,	1	in the community and, you know, ones that's
8	like, a geologist or anything, but	8	obvious, that stands out in the community. And
9	MR. LEWIS: The Department I mean, we	9	you can't do nothing about yesterday's towers,
10	did not we did not take a position on this.	10	but as we move forward, this, to me, as you
11	Like I said, it does obscure the antennas,	11	look at this, you're probably not going to know
12	but it is not a it's certainly the tower,	12	it's a cell tower out there if what I'm
13	then, doesn't look like a simple tower or a	13	looking at, it's a little different, but you
14	flagpole like we would assume.	14	may not know. So if it's
15	THE CHAIRMAN: Mr. Gaffney.	15	(Simultaneous speaking.)
16	COUNCIL MEMBER GAFFNEY: So my question,	16	COUNCIL MEMBER GAFFNEY: But it still
17	looking at this and it's hard to see the	17	it have some kind of if you look at the pole
18	picture, but you can almost look at it, and	18	itself, it's going to be wider, but, still,
19	and it looks as though it's just a (inaudible)	19	it's it looks better than that darn
20	to the pole where it goes straight up, right?	20	Christmas tree type.
21	MR. LEWIS: Right.	21	THE CHAIRMAN: I wasn't on the Committee,
22	COUNCIL MEMBER GAFFNEY: And this is do	22	but I'm not sold today.
23	we have an example that's already up in the	23	COUNCIL MEMBER WHITE: Yeah. I believe
24	city of Jacksonville now?	24	it's it depends on where it is. I mean,
25	MR. LEWIS: No. This would be the first	25	there's probably certain locations I don't

I mean, if the Committee finds that this is considered a camouflage design, then other towers could, again, use this canister style to retrofit existing towers to look like that. COUNCIL MEMBER GAFFNEY: And then my last question, is it just as effective as the old	2 3 4 5 6 7 8 9 10 11 12	know if we should do it across the board or just do them individually. MR. LEWIS: That certainly could be we could certainly look at COUNCIL MEMBER WHITE: It may be at the entrance of Queen's Harbour, you might want something that looked like a clock. If you're out there in the sticks, where I live, it probably really doesn't matter. But I would probably want to look at them individually, personally. THE CHAIRMAN: What is the imperative that
2 3 4 5 6 7 8 9 10 11 12 13	one. COUNCIL MEMBER GAFFNEY: And would this become a standard, that we do them all this way, or are we just talking about adding this to the to the MR. LEWIS: Yes. I mean, if the Committee finds that this is considered a camouflage design, then other towers could, again, use this canister style to retrofit existing towers to look like that. COUNCIL MEMBER GAFFNEY: And then my last question, is it just as effective as the old ones or the other ones that over the last	2 3 4 5 6 7 8 9 10 11 12 13	know if we should do it across the board or just do them individually. MR. LEWIS: That certainly could be we could certainly look at COUNCIL MEMBER WHITE: It may be at the entrance of Queen's Harbour, you might want something that looked like a clock. If you're out there in the sticks, where I live, it probably really doesn't matter. But I would probably want to look at them individually, personally. THE CHAIRMAN: What is the imperative that this be decided today? Like, is there a
2 3 4 5 6 7 8 9 10 11 12 13 14	one. COUNCIL MEMBER GAFFNEY: And would this become a standard, that we do them all this way, or are we just talking about adding this to the to the MR. LEWIS: Yes. I mean, if the Committee finds that this is considered a camouflage design, then other towers could, again, use this canister style to retrofit existing towers to look like that. COUNCIL MEMBER GAFFNEY: And then my last question, is it just as effective as the old ones or the other ones that over the last several years coming into the city?	2 3 4 5 6 7 8 9 10 11 12 13 14	know if we should do it across the board or just do them individually. MR. LEWIS: That certainly could be we could certainly look at COUNCIL MEMBER WHITE: It may be at the entrance of Queen's Harbour, you might want something that looked like a clock. If you're out there in the sticks, where I live, it probably really doesn't matter. But I would probably want to look at them individually, personally. THE CHAIRMAN: What is the imperative that this be decided today? Like, is there a backlog of these? I mean
2 3 4 5 6 7 8 9 10 11 12 13 14 15	one. COUNCIL MEMBER GAFFNEY: And would this become a standard, that we do them all this way, or are we just talking about adding this to the to the MR. LEWIS: Yes. I mean, if the Committee finds that this is considered a camouflage design, then other towers could, again, use this canister style to retrofit existing towers to look like that. COUNCIL MEMBER GAFFNEY: And then my last question, is it just as effective as the old ones or the other ones that over the last several years coming into the city? MR. LEWIS: From what I have understood,	2 3 4 5 6 7 8 9 10 11 12 13 14 15	know if we should do it across the board or just do them individually. MR. LEWIS: That certainly could be we could certainly look at COUNCIL MEMBER WHITE: It may be at the entrance of Queen's Harbour, you might want something that looked like a clock. If you're out there in the sticks, where I live, it probably really doesn't matter. But I would probably want to look at them individually, personally. THE CHAIRMAN: What is the imperative that this be decided today? Like, is there a backlog of these? I mean MR. LEWIS: No. No, to my knowledge,
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16	one. COUNCIL MEMBER GAFFNEY: And would this become a standard, that we do them all this way, or are we just talking about adding this to the to the MR. LEWIS: Yes. I mean, if the Committee finds that this is considered a camouflage design, then other towers could, again, use this canister style to retrofit existing towers to look like that. COUNCIL MEMBER GAFFNEY: And then my last question, is it just as effective as the old ones or the other ones that over the last several years coming into the city? MR. LEWIS: From what I have understood, talking to some tower owners, is that the	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16	know if we should do it across the board or just do them individually. MR. LEWIS: That certainly could be we could certainly look at COUNCIL MEMBER WHITE: It may be at the entrance of Queen's Harbour, you might want something that looked like a clock. If you're out there in the sticks, where I live, it probably really doesn't matter. But I would probably want to look at them individually, personally. THE CHAIRMAN: What is the imperative that this be decided today? Like, is there a backlog of these? I mean MR. LEWIS: No. No, to my knowledge, there's no backlog. Like I said, a tower
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17	one. COUNCIL MEMBER GAFFNEY: And would this become a standard, that we do them all this way, or are we just talking about adding this to the to the MR. LEWIS: Yes. I mean, if the Committee finds that this is considered a camouflage design, then other towers could, again, use this canister style to retrofit existing towers to look like that. COUNCIL MEMBER GAFFNEY: And then my last question, is it just as effective as the old ones or the other ones that over the last several years coming into the city? MR. LEWIS: From what I have understood, talking to some tower owners, is that the because we're using our phones so much, the	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17	know if we should do it across the board or just do them individually. MR. LEWIS: That certainly could be we could certainly look at COUNCIL MEMBER WHITE: It may be at the entrance of Queen's Harbour, you might want something that looked like a clock. If you're out there in the sticks, where I live, it probably really doesn't matter. But I would probably want to look at them individually, personally. THE CHAIRMAN: What is the imperative that this be decided today? Like, is there a backlog of these? I mean MR. LEWIS: No. No, to my knowledge, there's no backlog. Like I said, a tower company asked me to if this would be
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18	one. COUNCIL MEMBER GAFFNEY: And would this become a standard, that we do them all this way, or are we just talking about adding this to the to the MR. LEWIS: Yes. I mean, if the Committee finds that this is considered a camouflage design, then other towers could, again, use this canister style to retrofit existing towers to look like that. COUNCIL MEMBER GAFFNEY: And then my last question, is it just as effective as the old ones or the other ones that over the last several years coming into the city? MR. LEWIS: From what I have understood, talking to some tower owners, is that the because we're using our phones so much, the antennas that are in these towers, or concealed	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18	know if we should do it across the board or just do them individually. MR. LEWIS: That certainly could be we could certainly look at COUNCIL MEMBER WHITE: It may be at the entrance of Queen's Harbour, you might want something that looked like a clock. If you're out there in the sticks, where I live, it probably really doesn't matter. But I would probably want to look at them individually, personally. THE CHAIRMAN: What is the imperative that this be decided today? Like, is there a backlog of these? I mean MR. LEWIS: No. No, to my knowledge, there's no backlog. Like I said, a tower company asked me to if this would be acceptable. I told them I would bring it to
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19	one. COUNCIL MEMBER GAFFNEY: And would this become a standard, that we do them all this way, or are we just talking about adding this to the to the MR. LEWIS: Yes. I mean, if the Committee finds that this is considered a camouflage design, then other towers could, again, use this canister style to retrofit existing towers to look like that. COUNCIL MEMBER GAFFNEY: And then my last question, is it just as effective as the old ones or the other ones that over the last several years coming into the city? MR. LEWIS: From what I have understood, talking to some tower owners, is that the because we're using our phones so much, the antennas that are in these towers, or concealed in the towers, they need air to modulate	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19	know if we should do it across the board or just do them individually. MR. LEWIS: That certainly could be we could certainly look at COUNCIL MEMBER WHITE: It may be at the entrance of Queen's Harbour, you might want something that looked like a clock. If you're out there in the sticks, where I live, it probably really doesn't matter. But I would probably want to look at them individually, personally. THE CHAIRMAN: What is the imperative that this be decided today? Like, is there a backlog of these? I mean MR. LEWIS: No. No, to my knowledge, there's no backlog. Like I said, a tower company asked me to if this would be acceptable. I told them I would bring it to the Committee and ask. So we can certainly
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20	one. COUNCIL MEMBER GAFFNEY: And would this become a standard, that we do them all this way, or are we just talking about adding this to the to the MR. LEWIS: Yes. I mean, if the Committee finds that this is considered a camouflage design, then other towers could, again, use this canister style to retrofit existing towers to look like that. COUNCIL MEMBER GAFFNEY: And then my last question, is it just as effective as the old ones or the other ones that over the last several years coming into the city? MR. LEWIS: From what I have understood, talking to some tower owners, is that the because we're using our phones so much, the antennas that are in these towers, or concealed in the towers, they need air to modulate their keep their temperature down. Using	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20	know if we should do it across the board or just do them individually. MR. LEWIS: That certainly could be we could certainly look at COUNCIL MEMBER WHITE: It may be at the entrance of Queen's Harbour, you might want something that looked like a clock. If you're out there in the sticks, where I live, it probably really doesn't matter. But I would probably want to look at them individually, personally. THE CHAIRMAN: What is the imperative that this be decided today? Like, is there a backlog of these? I mean MR. LEWIS: No. No, to my knowledge, there's no backlog. Like I said, a tower company asked me to if this would be acceptable. I told them I would bring it to the Committee and ask. So we can certainly table it. If you want some more information,
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21	one. COUNCIL MEMBER GAFFNEY: And would this become a standard, that we do them all this way, or are we just talking about adding this to the to the MR. LEWIS: Yes. I mean, if the Committee finds that this is considered a camouflage design, then other towers could, again, use this canister style to retrofit existing towers to look like that. COUNCIL MEMBER GAFFNEY: And then my last question, is it just as effective as the old ones or the other ones that over the last several years coming into the city? MR. LEWIS: From what I have understood, talking to some tower owners, is that the because we're using our phones so much, the antennas that are in these towers, or concealed in the towers, they need air to modulate their keep their temperature down. Using them too much, the antennas, then, sort of	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21	know if we should do it across the board or just do them individually. MR. LEWIS: That certainly could be we could certainly look at COUNCIL MEMBER WHITE: It may be at the entrance of Queen's Harbour, you might want something that looked like a clock. If you're out there in the sticks, where I live, it probably really doesn't matter. But I would probably want to look at them individually, personally. THE CHAIRMAN: What is the imperative that this be decided today? Like, is there a backlog of these? I mean MR. LEWIS: No. No, to my knowledge, there's no backlog. Like I said, a tower company asked me to if this would be acceptable. I told them I would bring it to the Committee and ask. So we can certainly table it. If you want some more information, I'd
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22	one. COUNCIL MEMBER GAFFNEY: And would this become a standard, that we do them all this way, or are we just talking about adding this to the to the MR. LEWIS: Yes. I mean, if the Committee finds that this is considered a camouflage design, then other towers could, again, use this canister style to retrofit existing towers to look like that. COUNCIL MEMBER GAFFNEY: And then my last question, is it just as effective as the old ones or the other ones that over the last several years coming into the city? MR. LEWIS: From what I have understood, talking to some tower owners, is that the because we're using our phones so much, the antennas that are in these towers, or concealed in the towers, they need air to modulate their keep their temperature down. Using them too much, the antennas, then, sort of decrease their capacity. So they're looking	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22	know if we should do it across the board or just do them individually. MR. LEWIS: That certainly could be we could certainly look at COUNCIL MEMBER WHITE: It may be at the entrance of Queen's Harbour, you might want something that looked like a clock. If you're out there in the sticks, where I live, it probably really doesn't matter. But I would probably want to look at them individually, personally. THE CHAIRMAN: What is the imperative that this be decided today? Like, is there a backlog of these? I mean MR. LEWIS: No. No, to my knowledge, there's no backlog. Like I said, a tower company asked me to if this would be acceptable. I told them I would bring it to the Committee and ask. So we can certainly table it. If you want some more information, I'd THE CHAIRMAN: That would be my
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23	one. COUNCIL MEMBER GAFFNEY: And would this become a standard, that we do them all this way, or are we just talking about adding this to the to the MR. LEWIS: Yes. I mean, if the Committee finds that this is considered a camouflage design, then other towers could, again, use this canister style to retrofit existing towers to look like that. COUNCIL MEMBER GAFFNEY: And then my last question, is it just as effective as the old ones or the other ones that over the last several years coming into the city? MR. City of Jacksonville

November 3, 2022

	Review Committee	1	Uncertified Condensed Copy
	25		27
1	COUNCIL MEMBER GAFFNEY: I totally agree.	1	commercial, slash, residential area.
2	What I would hope is that you bring back	2	So I'm not questioning the zoning or
3	us a better picture because as I look at this,	3	the the permitness [sic] of it, but some of
4	even those I got these glasses on, it it	4	the language in the application is that this is
5	looks normal. But given what my colleagues	5	aesthetically keeping with the area, and it's
6	have pointed out to me, it's it's much	6	most certainly not aesthetically keeping with
	•	-	
7	bigger than I'm thinking of.	7	the area, although there is some wooded areas.
8	MR. LEWIS: Okay.	8	And this church property, they are exactly
9	THE CHAIRMAN: All right. So I'll defer	9	that, they are wooded areas, but they're not
10	this as chair and then we'll bring this up in	10	well-kept. This is an overgrown area filled
11	the next Tower Review Committee. And,	11	with weeds, vines, and et cetera. A 140-foot
12	hopefully, we'll have a chance to pick your	12	pole will definitely tower above all that's
13	brain a little bit better about what this looks	13	there, and so I was here today to speak against
14	like and how big it really is.	14	it.
15	I think that's the end of our official	15	THE CHAIRMAN: Understood. And you've
16	business; is that right?	16	I know Council Member Boylan knows about this
17	MR. LEWIS: Yes.	17	one. Have you chatted with him?
18	THE CHAIRMAN: And then, Mr. Lehmann or	18	MR. LEHMANN: No, I have not. I've been
19	Mr. Wiseman, if you all want to come on up,	19	in touch with Mr. Lewis. He's been he sent
20	I'll be happy to listen to you. I'll give you	20	me notice several times of the meeting,
21	three minutes.	21	including today's meeting.
22	AUDIENCE MEMBER: Thank you.	22	THE CHAIRMAN: I recommend speaking with
23	My name is Jay Lehmann	23	your district councilperson too. He knows
24	THE CHAIRMAN: Come up to the microphone.	24	about this one.
25	(Audience member approaches the podium.)	25	MR. LEHMANN: All right. Yeah.

2 3 4 5 6 7 8 9 10 11 12 13 14 15 16	AUDIENCE MEMBER: My name is Jay Lehmann THE CHAIRMAN: Address, please. MR. LEHMANN: 2856 Everholly Lane. This is in Mandarin. I came today to prepared to speak on another tower request. It's a 140-foot tower being put on church property. And I was only this morning told that it was deferred, so I appreciate the time right now. I feel this this tower is inappropriate for our neighborhood. I realize towers have to be put in to provide cell phone service, but this is a 140-foot structure. One of the pictures that's submitted in the application is excuse me for my nervousness.	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16	THE CHAIRMAN: Thank you, sir. Appreciate MR. LEHMANN: I appreciate the time. THE CHAIRMAN: Mr. Wiseman. AUDIENCE MEMBER: Jay spoke for both of us. THE CHAIRMAN: He got it? AUDIENCE MEMBER: Thank you. THE CHAIRMAN: Excellent. I appreciate you both coming. And with that, we'll be adjourned. (The foregoing proceedings were adjourned
