Orlando	\$17.83 (\$213.96)	2-1-1*	1	Automated	City of Orlando	10-01-12	City Crews	43,500	YES

(1) Paid by households meeting each jurisdiction's criteria to receive residential curbside collection and transportation of waste, yard trash, and recycling.

(2) Weekly service level is the number of times waste, yard trash, and recyclables, respectively, are collected per week.

*Indicates recycling is being collected every other week in one or more service areas.

(3) Disposal is defined as the cost associated with landfill processing and/or tipping fees.

ADS = Advanced Disposal Service SWS = Republic Services Inc. DBA Southland Waste Service WP = Waste Pro of Florida WM = Waste Management
NOTES:

- Pursuant to 2010-446-E enacted on August 10, 2010 the Uniform Solid Waste User Fee increased to \$12.65 per month per premise for FY 2011. The Uniform Solid Waste User Fee is being collected by means of the Non-Ad Valorem Tax Roll.
- The fee as of October 1, 2012 remained at \$12.65 per premise per month. The user fee can be adjusted annually on a calendar year basis. The fee cannot exceed \$18.00 per month or \$216.00 per calendar year. (For Jacksonville's FY 2012/13 most recent Budget Fee Analysis, the current Uniform User Fee covers approximately 85% of the total cost of collection, transportation and disposal. The balance is collected from Non-Residential Franchise Fees)
