

Gate Security – Those events requiring gate access restrictions must hire a Class "D" licensed security agency. The agency selected must provide a copy of their license along with liability insurance.

- **Insurance Requirements**

One million dollars of general liability insurance naming the City of Jacksonville as an additional insured is required for all events held at Metropolitan Park. In addition, the appropriate liquor liability insurance in the amount of one million dollars is also required if alcohol is served or sold.

- **Deposit Requirements**

The rental fee, along with a damage deposit and the concession buyout fee is required to secure the requested date. The deposit, along with the signed Lease Agreement is required prior to any advertising or promoting of the event.

- **Alcohol Sales/Service Restrictions**

Only non-profit organizations can serve or sell alcohol in City-owned parks. Proof of non-profit status along with the liquor license and insurance will be required.

- **Miscellaneous**

Parking – An outside event management company manages the parking lots surrounding Metropolitan Park. They will determine if a parking charge to event attendees will occur. This parking charge is normally \$5.00 per automobile. Metropolitan Park has limited complimentary parking available for the event staff.

Portable Sanitation – Metropolitan Park has restroom facilities to accommodate 4,000 people. An event projecting more than that in attendance must rent portable sanitation units according to the Health Department guidelines.
