PROPOSED PSA SCRIPT

The setting is a middle aged man and women moving out of their home:

MAN: (with a tired sigh) That's the last box

WOMAN: (with an excited voice) Look what I found, our high school year book ... here we are at the prom.

MAN: (with pride) I was quite a catch.

WOMAN: (Snarky with a laugh) Right, how about this shot of you in the school production of "Saturday Night Fever", look at that hair.

MAN: (Reflective) Wish I had some of that hair now.

WOMAN: (Reminiscent) And here's our wedding album.

MAN: (Denial) Were we really that young?

WOMAN: (Heartfelt) Awh, our first family photo

MAN: Its hard to believe the kids are grown now. Things sure have changed over the years.

ANNOUNCER VOICE- Time passes quickly, things change, people change, life changes. Often we never notice the changes until we take a look back. With election season approaching, now is the perfect time to update your voter registration information and signature. Contact your local Supervisor of Elections Office today, don't let change surprise you.
