Dear Council Members:

W A T E R

S E W E R

Over the past eight weeks there has been considerable discussion regarding the future direction of JEA. While engaging in this discussion it is critical that you, the City Council, the governing body for the JEA Charter and ultimately JEA's future, have all the information and analysis you want and need. Therefore, as in the past, I remain ready to meet personally with you at your convenience, as well as provide you with any and all information.

As always, please feel free to contact me directly with any questions about JEA.

Respectfully,
