MEMORANDUM

TO: Honorable City Council Members
FR: Council President Aaron L. Bowman, District 3
RE: 2018 Jaguars Ticket Distribution Process

The City of Jacksonville receives a predetermined allotment of tickets for the Jacksonville Jaguars home games every year per our contract with the Jaguars. There are nine home games this season including two pre-season games. *All tickets will be issued electronically. Paper tickets will not be accepted which means you must have the Jaguars application on your phone.* All ECAs have been given the directions for loading the application.

The Council President's Office will receive the following tickets for each home game:

- Terrace Suite - 2 Tickets
- City Suite - 12 Tickets
- Club Seats - 14 Tickets

Terrace Suite: There are not enough tickets for each Council Member to have Terrace Suite tickets. My desire is to give a pair of tickets to a Council Member each game without any repeat attendance in the Terrace Suite. *These tickets are not transferable.*

City Suite: There are 12 tickets per game for the City Suite. The City Suite is intended to be used by the City for business and tourist development. Council Members requesting seats in the City Suite are expected to represent the City. *These tickets are not transferable.*

Club Seats: There are 14 tickets per game for the Club Seats. You may use these tickets personally or share them with constituents.

Owner's Suite: The Jaguars will most likely give Owner's Suite passes to the Council President, which I will disburse to Council Members. The procedure for this will be determined in the near future.

Action Steps for Requesting Tickets: Please complete the form attached to this memorandum and return to Carol Brock (csbrock@coj.net). If a Council Member wants more than two tickets to a game, two tickets will be held for them and the additional requested tickets will be placed on a wait list. If there are tickets remaining after all Council Members have received two tickets, then the additional tickets on the wait list will be distributed in the order the requests were received. All remaining unclaimed tickets will be redistributed beginning at noon on Thursdays prior to game day Sundays.

Parking Passes: There are a limited number of parking passes. A Council Member will be given one parking pass per game.

Disclosure Reports: You are responsible for tracking and reporting the value of your Jaguars tickets and parking passes on your quarterly gift disclosures form (Form 9). As a reminder, if a Council Member receives tickets to the games, other than by purchasing tickets or through the Council President's Office, these are considered gifts to you and the Council Member must follow the state ethics laws. The value of two tickets is most likely in excess of the \$100 limit so the gift needs to be reported on a Form 9; or if it is from anyone lobbying or doing business with the City, the gift should be declined or paid down under \$100. Please contact the Ethics Office if you have any questions.

Go Jags!
