

Where Florida Begins

Change Request in Visit Jacksonville Travel Schedule:

- A. Previously requested and budgeted approval for a VF Media & Consumer Event in New York City in October, 2018. The staff member scheduled for this event was told by the doctor that she could not travel and we did not have a business partner to travel with for this event, which was required so our attendance at the event had to be canceled. We request to use the budgetary funds to attend the Southeast Tourist Society's Media Market in Atlanta. The event will be attended by Dalton staff already located in Atlanta, minimizing travel expenses. Total budgeted amount for previous travel was \$3,000. The cost for the new event will be less than that amount, likely under \$2,000 the majority of which is for registration for the event.

- B. Destinations International Summit for December 2018 location was changed from Chicago, IL to New Orleans, LA. No change in budgetary dollars is required.
