PARTNERSHIP PROGRAMS
Problem:
NE Florida's degree completion rate lagged nation and state; hurt our ability to compete

Action:
- Earn Up - cross-sector collaboration (25+ stakeholders) formed 2014 with goal of 60% attainment by 2025
- Target populations: HS students transitioning to college, working adults, veterans
- Strategic actions for each population – FAFSA push, career exposure/pathing, workplace upskilling, advocate for credit for prior learning

Wins:
Started 36%, now 38.5% plus est. 4-7% add'l with certificates = approx. 43-46%
Lead convener in Jacksonville for the *Network for Southern Economic Mobility*

- Formed by MDC (S.C.) and includes four Southern cities committed to increasing upward economic mobility for youth and young adults in the lowest income brackets.
- Charged with forming a small, imaginative, high-level leadership group that includes individuals who can leverage policy and operational changes in the critical systems that directly affect youth mobility within their community.
- Two-year collaboration that includes coaching, technical assistance, and peer-learning related to systems/data analysis.
- Goal is to align leadership, systems, and culture change to affect institutional policy reform, implement innovative program strategies, foster ongoing youth and employer engagement, and develop funding strategies needed to connect economically disadvantaged youth to postsecondary credentials and rewarding work.
