MEMORANDUM

June 28th, 2019

TO: Dr. Chery L. Brown, Director/Council Secretary
Jacksonville City Council

FROM: Ronnie King II
Chair, Board of Library Trustees, JPL

CC: Paula Shoup, Information Systems Administrator, City Council
Boards and Commissions – File Copy
Carol Owens, Chief of Legislative Services
Tim Rogers, Library Director, JPL

SUBJECT: Annual Report: Board of Library Trustees, Jacksonville Public Library

In accordance with Ordinance 2016-521-E, the Board of Library Trustees submits the following report of its activities for the prior year:

Prior Year's Activities

The Board of Library Trustees met monthly from July 2018 through June 2019 (with two cancellations for practical purposes) and once in February 2019 for a six-hour "Board Work Day" to determine system priorities for the coming year. The Board's Finance, Governance, Personnel, and Capital Improvements Committees met as needed to monitor library finances, approve budgets, vet library policy, evaluate the performance of the Library Director, and consider priorities for Capital Improvements.

Current Members

The Board elected the following officers in Fall of 2018 to serve its October 2018-September 2019 Board Year. (Library Board Years are identical to COJ Fiscal Years.)

- Ronnie King II, Chair
- Timothy J. Anderson, Vice-Chair
- Jill Langford Dame, Secretary
- Sybil Ansbacher, Foundation Liaison

The Board welcomed new trustee Donald Horner III and bid farewell to Trustees Gerald Reid and Charlee Kleeman, who retired from the Board. Remaining trustees are:

Guy K. Anderson
Carlo Fassi
W. Marc Hardesty

Celia Nass
Mario Payne
Jackie Perry

Liaison and Ex-Officio positions were held by City Council Members Jim Love and Tommy Hazouri and Tia M. Leathers of Duval County Public Schools.

All voting trustees are given orientations to the Board and required to complete mandatory ethics training.

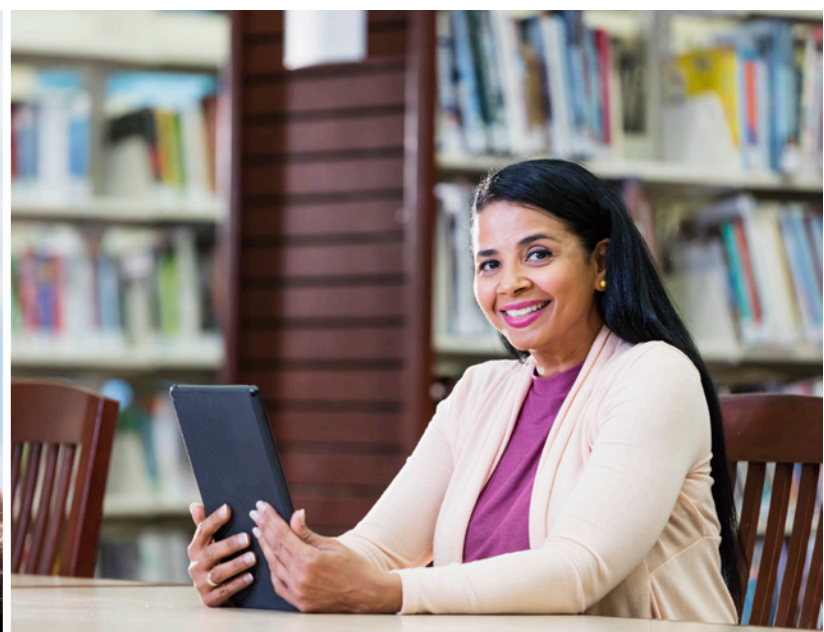

Identification of Vacancy Positions

The Board is currently in need of a trustee from At Large Group 5 and At Large Group 3.

Assessment of Effectiveness

The Board successfully advocated to members of the City Council to support Mayor Curry's FY 2019 budget proposal, including funds to expand hours of weekly service, a long-standing goal of the Board. We helped to guide and monitor the Library administration in how it expended those funds, how it developed further priorities, and how it advocated for Capital Improvements Projects. Beyond our ordinary duties, we worked extensively to deepen positive relationships between our Director, Tim Rogers, who had begun service in January of 2018, and community leaders, including incoming members of the City Council. We regard the Library Staff, and thus our oversight as a Board, as successful.

Attached is the Library's Annual Report for the prior year.

Annual Report FY 2018

Reflecting on the Past: Focusing on the Future

The 2018 – 2020 Strategic Plan supports our mission to enrich lives, build community and foster success by bringing people, information and ideas together.

Chair
Board of Library Trustees

MESSAGE FROM OUR LEADERSHIP

With the retirement of Library Director Barbara A. B. Gubbin, the Board welcomed new Director Tim Rogers, and set in motion a plan to continue the library's meaningful work to serve the learning and literacy needs of the community. We tackled new ways to engage people and encourage them to actively participate in the mayor's vision of One City, One Jacksonville.

Implementing strategic goals, we focused on priorities to inspire lifelong learning and discovery, support educational success, and build community through outstanding experiences. We put the library at everyone's fingertips with a new smartphone app, built engagement with youth and parents in our Summer Learning program, and raised awareness of the library and community through a new podcast, *Completely Booked*.

On behalf of the Board of Library Trustees, thank you for your continued support. It is such an honor to serve Jacksonville Public Library, a trusted organization that is always here to help when you need it—whether for research, education, information, a safe space or simply for enjoyment. Please encourage everyone you know to get a library card—and use it often!

Ronnie King
Board of Library Trustees, Chair

Tim Rogers
Library Director

Having taken the helm as library director in January 2018, I am privileged to be part of this friendly community and Jacksonville Public Library. I've experienced first-hand the pleasure of getting to know and collaborating with a dedicated staff and Board. It's clear the library is riding a wave of optimism and opportunity, looking toward expanding its reach and impact to all of Duval County.

We laid the groundwork for capital projects that include a new library to serve the underserved far Northside in the Oceanway area; renovation of the children's departments at the Charles Webb Wesconnett and Highlands regional libraries; and the creation of a model for our 21st century urban learning and literacy spaces. Each of these projects aligns with the library's core purpose to bring people, information and ideas together to enhance the educational, entrepreneurial and employment needs of the Jacksonville.

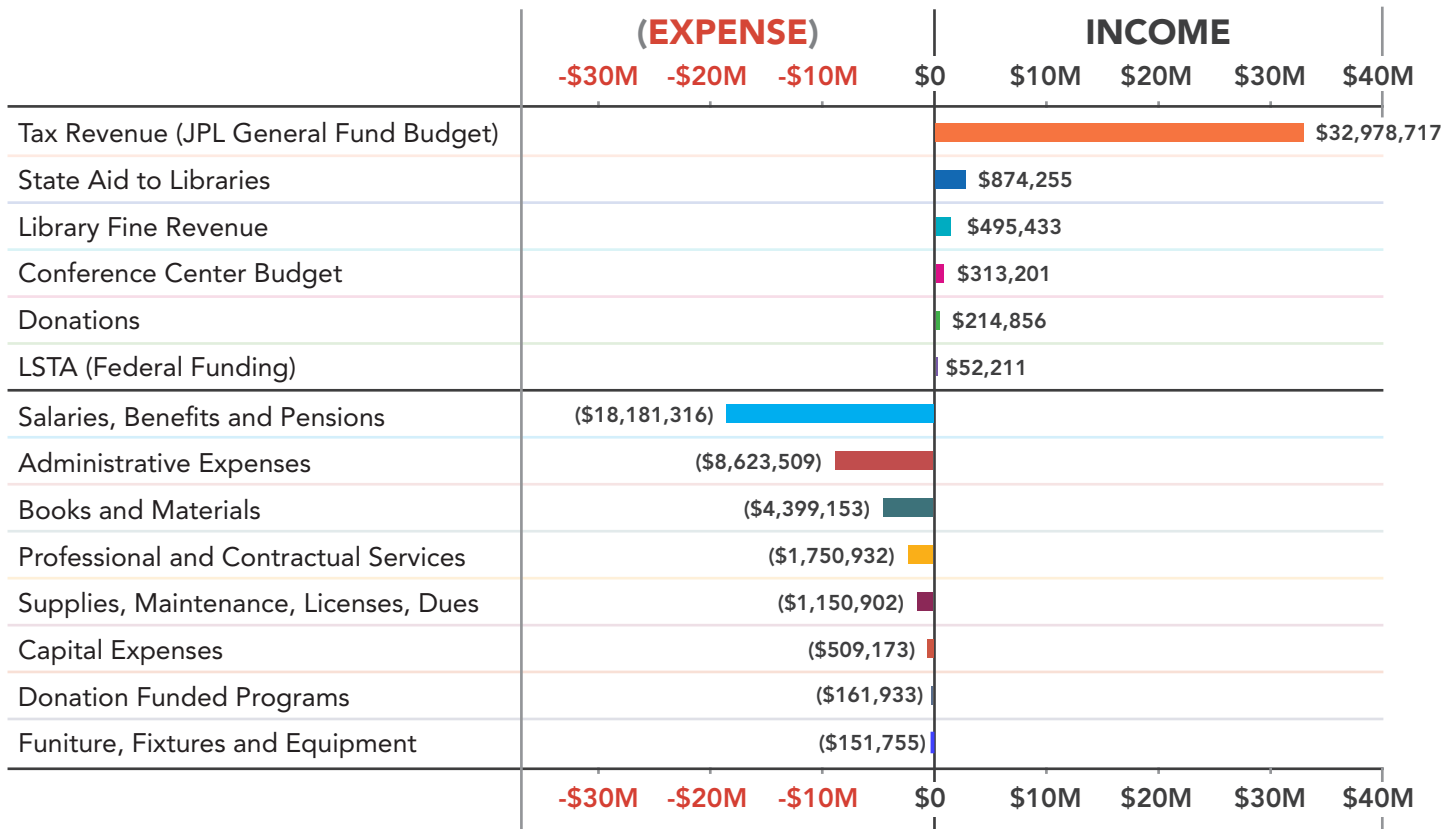

Next year we will expand hours at nine libraries. All 21 locations will be open at least six days a week, providing more access to more customers. With approval of a recurring \$850,000 materials budget, we can continue to make improvements to our collection, adding items customers want most such as more popular books and digital items.

In closing, I express sincere thanks to our Friends groups, the Jacksonville Public Library Foundation, the Board of Library Trustees, our fantastic staff, and the many customers who, throughout the years, have advocated for and supported the library. Thank you to Mayor Curry and City Council for showing a renewed commitment to the library's role as the city's premier agency for lifelong learning, student success, and a partner for smart community building.

We have a lot to be proud of, and even more to accomplish next year. Together, with your support, we can improve lives and achieve One City, One Jacksonville.

Tim Rogers
Library Director

FY 2018 BUDGET AND EXPENSES

HIGHLIGHTS OF THE YEAR

BANKSY ART EXHIBITION

The \$2 million *Haight Street Rat*, created by world famous—and infamous—Banksy, drew hundreds to the Main Library's gallery in the Jax Makerspace.

COMMUNITY CONVERSATIONS

Tackling tough topics such as the opioid crisis, medical marijuana, gun control and more, the library engaged the public to learn about and discuss diverse viewpoints.

JAX BOOK FEST

More than 3,000 book lovers came out to see 100 local and national authors—many with *New York Times* best-sellers—and to hear presentations, and buy books to have signed.

MAPPING OUR PAST

A *PBS Antiques Roadshow* celebrity, local appraisals, expert panel, map presentation, and map room tour showcased the Lewis Ansbacher Map Collection to an enthusiastic crowd.

SUMMER LEARNING

Children logged a whopping 3.3 million minutes of reading to help prevent summer slide—the loss of academic skills over summer break.

Letter from Jacksonville Public Library Foundation Board Chair

I want to take this opportunity to thank all of our donors who have given so generously over the past year. We could not do what we do for the library without your support!

As chairman, I am constantly asked, "Why do we need libraries?" My answer is always the same: Wherever you, your friends, neighbors or members of your community are in life, the library is there with the resources to improve, expand or enrich experiences, always helping to move our community forward in positive ways.

The Foundation takes pride in helping the library with services and programs that otherwise would not happen. Our Hi \$5 for Kids campaign works to stop the summer slide for thousands of Duval County students. We lead and support events throughout the library system that afford citizens of Jacksonville access to learning through computer classes, adult education, and a wealth of live cultural and educational events.

Again, thank you for your support. For the upcoming year, please consider a recurring gift, a naming opportunity, or a gift to the JPLF endowment that will sustain critical programs even more. I look forward to working with each of you, and seeing the exciting things our Foundation has set in motion come to fruition for the library in 2019.

Sincerely,

Reflecting on the Past: Focusing on the Future

The 2018 – 2020 Strategic Plan supports our mission to enrich lives, build community and foster success by bringing people, information and ideas together.

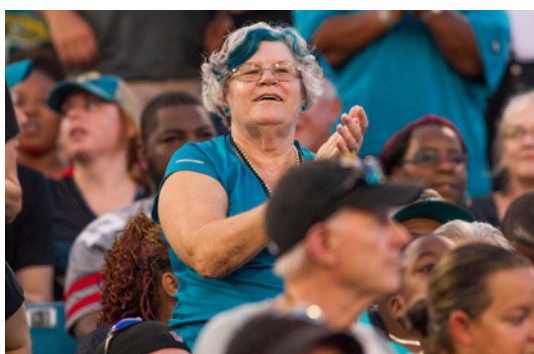

Inspiring Lifelong Learning and Discovery

Library customers are never too young—or old—to explore, learn and discover! Through adult programs this year, 54 people earned high school diplomas, enabling them to contribute approximately \$16.1 million to the economy in their combined lifetimes.

Supporting Youth Educational Success

We champion reading from birth to school-age kids to teens and college-bound. Nearly 130,000 DCPS students have Student Library Cards. In this year's 12-week Summer Learning program, designed to eliminate summer slide (the risk that students face of losing up to two months of educational progress during the summer), children, teens and adults read 5.9 million minutes. That's more time than it would take to make 800 round trips to the moon.

Building Community

Our libraries are neighborhood hubs where people gather and connect through a myriad of activities. They meet, discuss, create, research, read, use computers, study and enjoy concerts. Fact is, for every one person who attended a sporting event in Jacksonville this year, three visited the library.

One City. One Jax. One Library.

Our community counts on library resources: This year 4.7 million books, DVDs, CDs and other materials were checked out—enough to fill the entire Bank of America building.

FY 2018 IN FOCUS

Strategic Plan

Providing Robust Collections

The library is like a free bookstore, and our customers are taking advantage of it. The 3.2 million books they checked out this past year weigh as much as three 747 jumbo jets. That's a lot of different books to choose from, and a big deal in savings too!

Outstanding Experiences

With everything from author talks to Zentangle art, the library hosted 15,000 programs. That adds up to as many hours of entertainment as the entire Netflix movie catalog. We're talking about a variety of cool events for every age. And we've got movies too!

Increasing Convenient Access and Awareness

Open to all, our libraries are busy places. With 21 convenient locations around town, the library is your go-to neighborhood destination. We are proud to welcome a new library customer inside our doors every 57 seconds. In addition, people spent more than 260 hours a day on our website, checking out events and materials. That's enough time to watch all the Academy Award Best Picture winners from 1927, and still binge the entire season of *Game of Thrones*!

Award-Winning Staff and Partners

Jacksonville Public Library would not have as great an impact on the community if it were not for the outstanding staff and community partners it enjoys. Among other accolades this year, four major library industry awards honored the library's incredible supporting players including NEFLIN Member of the Year Julie Rekow, Florida Library Association's (FLA) Outstanding Business/Media Partner the United Way of Northeast Florida, and the recipient of both NEFLIN's Champion of the Year award and FLA's Friends, Foundation & Boards Outstanding Member of the Year, Sharon Coon (pictured with FLA Past President Robin Shrader).
