

# Taxation, Revenue, and Utilization of Expenditures (TRUE) Commission

Daniel Henry, Chair

## LEGISLATIVE TRACKING COMMITTEE MEETING MINUTES

October 17, 2019

3:00 p.m.

City Council Conference Room B  
Suite 425, City Hall

**Attendance:** Commissioner Jim Mazur

**Also:** Jeff Clements – Council Research Division

The meeting was convened at 3:03 p.m. and the following bills were discussed:

2019-773 - \$1.5 million appropriation of SJRWMD grant funds for McCoy's Creek restoration: the project will be part of the much larger Emerald Trail project.

2019-694 – appropriating \$1.85 million from Investment Pool Earnings for City Council to hire outside counsel/subject matter experts to advise council regarding JEA privatization issues: the bill will be acted on next Tuesday by City Council. The two committees to which it was referred made conflicting recommendations – the Finance Committee failed to approve a motion to approve the appropriation by a vote of 2-5; the Rules Committee voted 7-0 to approve.

Commissioner Mazur expressed interest in seeing if the City's videographer, Matt Kingston, could film some TRUE Commission content and post it on the commission's web site and on the City's public web page where it might attract some interest from the general public.

The meeting was adjourned at 3:17 p.m.

Jeff Clements, City Council Research Division
