

11/4/19

Dr Brown — my questions to be answered  
at the first meeting (11/06/19)

- (1) Does the JEA have legal authority to seek a "recapitalization" offer without first obtaining approval of the City Council?
- (2) Can an entity attempt to obtain a "recapitalization" offer through a procurement process legally?

AND

Is a legal procurement process the correct process to sell oneself?

Thank you -
