

# **City of Jacksonville:**

**Presentation to Charter Revision  
Commission Subcommittees:**

**Strategic Planning/Urban Services District  
December 6, 2019**

# Strategic Partnerships Background and Goals

---

- Mayor's Non-Profit Interface Sub-Committee
- New municipal strategy: similar offices exist including Denver, Newark, Oakland, Boston, Durham, Fairfax VA, Los Angeles, and Minneapolis.
- Modeled after private-sector corporate social responsibility.
- Develop strategic partnerships between nonprofits, philanthropy and City of Jacksonville to leverage opportunities, align efforts and facilitate better opportunities for Jacksonville's citizens.
- Identify best practices and technological and operational efficiencies to increase community impact.

# Steering Committee Representation and Objectives

---

## **Representation:**

Arts & Culture  
Community  
Philanthropy

Human Services  
Neighborhoods  
Faith

Healthcare  
Education  
Private Sector

## **Objectives:**

- Promote mutual understanding and collaboration between city government, nonprofits and philanthropy and identify strategic opportunities for partnerships.
- Serve as a trusted source of data, information and dialogue about programs and policy impacts.
- Facilitate strategic joint investments that will improve outcomes for Jacksonville and its citizens.

# Recent Accomplishments

---

## **Disaster Preparation, Response and Recovery**

- Long-term Recovery Organization
- First Coast Relief Fund
- International Philanthropy

## **Mayor's Downtown Homeless Taskforce**

- Urban Rest Stop
- Mobile Medical and Service Buses

## **Mayor's Youth at Work Partnership**

- Career-Pathways for Youth; KHA Essential Services Plan

## **Nonprofit Capacity Building**

- Nonprofit Gateway
- COJ Town Halls/COJ Philanthropic Roundtable

## Next Steps

---

- Strategic Partnerships Steering Committee 1-3-5 year Strategic Plan.
- Inventory of successful partnerships.
- Expansion of coordinated intake and case management.
- Alignment of public, private and philanthropic strategies, metrics and outcomes.
