On behalf of Councilwoman Brenda Priestly Jackson...

Bill 2019-0894 has been assigned to the TEU, Rules and Finance Committees. There is clear rationale supporting assignments to the TEU and Rules Committees. However, during the Council Agenda preparation meeting on Tuesday, December 10 at 4:00 p.m., I am requesting a justification explaining the bill assignment to the Finance Committee. Moreover, I am requesting the details of the assignment to include those parties who made the recommendation.
