Re: 2020 Census State Redistricting Data

The Department utilized the population data provided by the 2020 Census State Redistricting Data (Public Law 94-171) Summary File for proposed redistricting maps. The file includes one geographic header file and three data files.

The summary file data tables include:

- P1. – Race
- P2. – Hispanic or Latino, and not Hispanic or Latino by Race
- P3. – Race for the Population 18 Years and Over
- P4. – Hispanic or Latino, and not Hispanic or Latino by Race for the Population 18 Years and Over
- P5. – Group Quarters Population by Major Group Quarters Type
- H1. – Occupancy Status (Housing)

The data was downloaded from:

The data was extracted using the methodology described in the following link:
