CHARTER REVISIONS COMMITTEE URBAN SERVICES DISTRICT SUB-COMMITTEE

Recommendation justification:

Who (i.e., Urban Services Investment Authority) – Who is defined as the structure name. Considerations given to the various types of agencies provided electronically and/or other models brought forward by committee member.

<i>Name</i>
<i>Model Defined</i>

What – What is the scope of their work?

<i>Define the geography</i>
<i>Define the type of work – Is it coordination? Septic Tank remediation oversight, economic development, etc.</i>

Why – What makes this the best option?

<i>Why are you proposing this particular structure?</i>
<i>Model Benefits / Pros -</i>
<i>Model Risks / Cons -</i>
<i>Solutions, if any, for the risks</i>
<i>Rationale for not choosing alternative models</i>

How/When – What is the proposed roll-out?

<i>How would this work be executed? (Be cautious to not be too prescriptive. Review the tone of the charter to ensure we are aligned its structure of direction, but offer enough information to demonstrate the value)</i>

Possible measures of success (Be cautious to not be too prescriptive. Review the tone of the charter to ensure we are aligned its structure of direction, but offer enough information to demonstrate the value)

Model Benefits / Pros -

Model Risks / Cons -

Other Comments/Considerations
