Scholarships sponsored by In River or Ocean

In River or Ocean is a local nonprofit that was founded in memory of Clayton (Clay)

Roberts. Clay was a senior at Bishop Kenny High School when he tragically passed away from injuries sustained during a fall. Clay had a lifelong love for the outdoors. He was an avid fisherman and he loved boating. He often talked of having a career revolving around boating, fishing and conservation. His e-mail address "InRiverOrOcean" best expressed his passion for our waterways. The Roberts' family founded In River or Ocean to commemorate Clay's passion for the outdoors. In River or Ocean works to promote the protection, restoration and rational management of all river and ocean resources, working as a steward of the waterways by providing educational opportunities. To help raise awareness for our waterways, and celebrate Clay's passion for fishing, In River or Ocean holds an annual family focused fishing tournament each year in June.

For more information on the In River or Ocean organization, please visit FishWithClay.com or call (904) 384-0775.
