MOSH - MAKING A ROBOT

The Museum of Science and History (MOSH) kept the attention and interest of STEM participants as they made a motorized Robot with their very own hands.

CEYLC 2019 was an exiting experience for the 11 youth who attended. Pastor Hayes, four (4) chaperones, and eleven young people headed to Orlando, Florida on July 15, 2019, to participate in the challenging A.I.R. workshops and activities prepared to educate and teach leadership strategies to more than 2,500 young people in attendance. D'Andre Hooper and DaMari Hooper from Greater New Hope A.M.E. Church returned to Jacksonville \$100.00
