Scott Wilson,

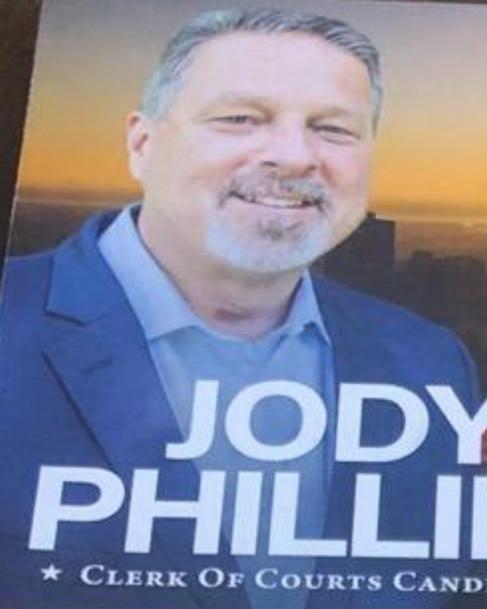

Is it correct that Mousa and Baker were lobbyists for FP&L or a related company? Please put into the record how you ended up in Atlanta with Mousa, Baker, Mayor Curry, Brian Hughes, and Aaron Zahn.

Have you seen the following flyer? Do you know who paid for the flyer? Do you think the claim in the flyer that you “took a secret trip with lobbyists to sell JEA” is in any way accurate? I saw this flyer on social media. How do we find out who paid for the flyer and if it was approved by Jody Phillips?

Did you feel your trip to Atlanta was orchestrated to sway your opinion on the sale of JEA?

Mayor Curry,

Jason Gabriel said you have the option of waiving executive privilege on behalf of the executive branch on any given matter.

Please tell your staff that they should answer all questions related to the sale of JEA including the appointment of Zahn to the board, the reasons for the PUP, the approval of the contracts related to pursuing the sale, etc.

Thank you,
Susan Aertker
