

SALARIES FOR ELECTED OFFICIALS

A. Florida State Legislature's Office of Economic & Demographic Research

Each year, the Office of Economic & Demographic Research (OEDR) conducts a comprehensive study to determine the annual salaries for Elected County Officials throughout the State of Florida. The OEDR publishes an annual report (usually by mid-September) that can be viewed at:

<http://edr.state.fl.us/Content/local-government/reports/index.cfm>

under the heading:

Salaries of Elected County Constitutional Officers and School District Officials

The approved annual salary rates for Duval County Elected Officials (Clerk of Court, Property Appraiser, Supervisor of Elections, Tax Collector, Sheriff, County Commissioners, and School Board Members) are included in this report (*see Table 3 of the report*). Newly established rates become effective on October 1st of the next fiscal year.

Due to consolidation, Jacksonville City Council Members serve a dual role as both City Council Members and County Commissioners. Because these positions are designated as "part time," members receive fifty percent (50%) of the annual salary amount determined by the OEDR. The Council President's salary includes an additional amount equal to one-third (1/3) of the Council Member's annual rate of salary while serving as president.

B. Salary Placement for Council Members

Per Ordinance 2021-0074, all Council Members are required to submit a *Salary Election Form* (distributed each year by the Executive Administrator) indicating their choice for salary placement for the next fiscal year. Completed forms are due prior to September 15th of each year to ensure compliance with payroll certification mandates.
