

# OVERDOSE DEATH RESPONSES BY MONTH AND ZONE 2021 AND 2022, Through February 28, 2022

## OVERDOSE DEATH RESPONSE CASE STATUS AND ARRESTS 2021 AND 2022, Through February 28, 2022

\*Note: arrests are credited by year the arrest occurred, not the year the death occurred. For example, an arrest in 2022 for a death that happened in 2021 would be shown in 2022. Natural deaths will be credited to the appropriate year of the death as MEO results are received.
