6 Tennis Courts Resurfaced

Argyle Forest Courts: Process

Restrooms: Before & After

- 140 Restrooms
- Completion: Summer, 2023

Master Recreational Improvement Plan: Current Status: Documentation Review

Analyze existing plans, reports, and studies

Site Inventory Innovation

Customized Site Inventory Dashboard utilizing GIS

Current Work - Existing Conditions: Park Site Evaluations

Proximity, Access + Linkages

- How connected is the park?
- Are there any ADA Accessibility issues?

Park D&A (Design & Ambiance)

- Is it safe, enjoyable, flexible?
- Do I want to be there?
- Does the park meet a baseline equity standard?

Uses, Activities, and Sociability

- Are there things to do, ways to interact with others?

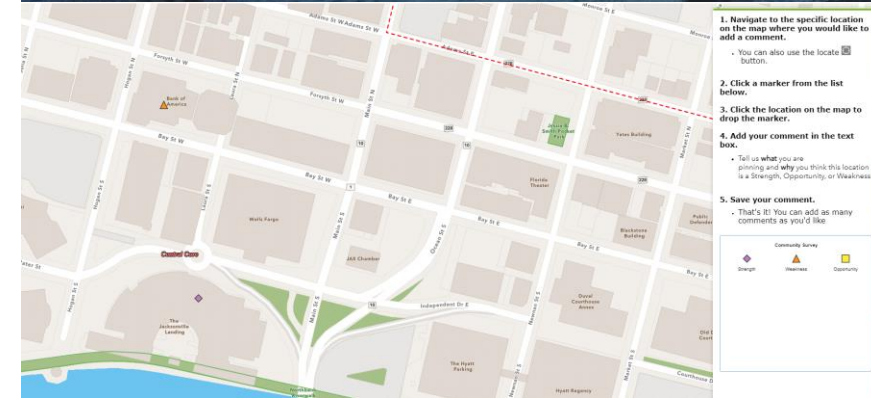

Sustainability & Resiliency

- Are there opportunities to enhance/improve cost recovery, resource management, and multi-modal capacity of the park?
- Is the park economically and socially sustainable?

Architecture

- What is the condition of the structures and their systems?
- Do they contribute to the overall aesthetic of the park?

Upcoming... The Public: the heart of parks

Don't Make Decisions in a Box

What are the residents needs and desires?
How do they connect with parks?

Meet Where the Residents Are

Reach residents and connect to their circumstances and neighborhoods

Interactive Tools

Create memorable and engaging experiences for data driven results

Virtual Engagement

Provide options for greater engagement and flexibility to reach a wider audience.

Completion Coinciding
with Fairground Build

The Amateur and Leisure sports industry accounts for the bulk of total non-resident visitors associated with the Florida Sports Industry. It is composed of six segments – Parks and Recreation, Golf, Hunting, Fishing, Wildlife Watching and events of the Florida Sports Foundation and the state's 27 sports commissions. These six segments generate the largest economic footprint of the survey at \$43.4 billion and 443,000 jobs.
