In Berlin in 1945 + Strategic Plan

1945

1945

1. The first step is to secure the food supply of the population.

2. The second step is to secure the energy supply.

3. The third step is to secure the housing supply.

4. The fourth step is to secure the clothing supply.

5. The fifth step is to secure the medical supply.

1. The first step is to secure the food supply of the population.
