Notes: _____

Workshops on The Current Status and Future Needs of the Office of the General Counsel Charge: In order to ensure that the legal needs of the consolidated government of Jacksonville, Duval County, Florida, are of the highest level of legal expertise and knowledge and that the Office of General Counsel, which has general responsibility for furnishing legal services to the City, its independent agencies and local constitutional officers, is able to provide the highest level of legal services to the entirety of the consolidated government, the City Council shall hold four workshops entitled “The Current Status and Future Needs of the Office of General Counsel.” The workshops will focus on Chapter 25-Office of General Counsel-and any proposed changes to Chapter 25-Office of General Counsel-that may be necessary to continue the utilization of central services and high-quality legal expertise provided by the Office of General Counsel to the City, its independent agencies, and constitutional officers.
