

5-23-23 - Noticed Mtg Member to CM Elect Mtg
Conveyed : 3:30 pm

- Introductions
- CM White welcomed everyone and discussed the 2023-319 Ordinance introduced by CM Morgan and CM Carlucci.
- CM Boylan expressed his desire to make changes to the above ordinance. In his mind the process needs to be updated. Optics concerns him as it being a pre-ordained process. He believes the solution would be a short delay in starting the mtgs.

- CM Carlucci expresses there has never been a perfect process. The unintended consequences were those interested could schedule it on March 1st. He believes it should be a competitive process and a longer time to have mtgs and receive support. He would like to remedy the bill he co-sponsored. He mentioned a possible date of March 10th. His goal was to explain the unintended consequences.

- CM Salem expressed his concern with Page 2 - underlined that those who can run can only run between the dates of March 1st - March 31st. Salem wanted to make sure there was no doubt the ordinance is being followed.

- CM White looks forward to working with CM Salem and supporting him as President
- CM Gray had no comment
- CM J. Carlucci has given his support
