MEMORANDUM

TO: City Council Members

FR: Ronald B. Salem, Pharm. D., President
Jacksonville City Council

RE: 2023 Jaguars Ticket Distribution Process

The City of Jacksonville receives a predetermined allotment of tickets for the Jacksonville Jaguars home games every year per our contract with the Jaguars. There are eight home games this season including one pre-season game. All tickets will be issued electronically. Paper tickets will not be accepted which means you must have the Jaguars application on your phone.

The Council President's Office will receive the following tickets for each home game:

- Terrace Suite – 2 Tickets
- City Suite – 12 Tickets
- East Club – 14 Tickets

Terrace Suite: There are not enough tickets for each Council Member to have Terrace Suite tickets. My desire is to give a pair of tickets to a Council Member each game without any repeat attendance in the Terrace Suite. These tickets are not transferable.

City Suite: There are 12 tickets per game for the City Suite. The City Suite is intended to be used by the city for business and tourist development. Council Members requesting seats in the City Suite are expected to represent the city. These tickets are not transferable.

Club Seats: There are 14 tickets per game for the Club Seats. You may use these tickets personally or share them with a constituent.

Action Steps for Game Preferences for Tickets: Please complete the form at the bottom of this email and return to Nikki Evans (NEvans@coj.net). Include your top three requests (Terrace Suite, City Suite, East Club). A Council Member may request 2 tickets to the games of his/her choice. If a Council Member wants more than 2 tickets to a game, 2 tickets will be held for them and the additional requested tickets will be placed on a wait list. If there are tickets remaining after all Council Members have received 2 tickets, then the additional tickets on the wait list will be distributed in the order the requests were received. I will send the cost of the tickets as soon as it is received.

You are responsible for tracking and reporting the value of your Jaguar tickets and parking passes on your quarterly gift disclosures form. As a reminder, if a Council Member receives tickets to the games, other than by purchasing tickets or through the Council President's Office, the Council Member must follow the state ethics laws. Please contact the Ethics Office if you have any questions.

Go Jags!
