AMEND/DEFER

Mr. Peterson explained the amendment. Approved unanimously.

CM Pittman asked for the list of stores slated for closing.

Mr. Peterson explained the Auditor's recommended amendment. Approved unanimously.

Motion/2nd on Lahnen amendment to revise the job creation schedule to require at least 15 jobs be created in year 1, 40 jobs in year 4, and 45 jobs in year 5. And revise the clawback of the Headquarter Retention (HQR) Grant for the number of jobs to be retained and created to include a sliding scale that would result in repayment of the HQR Grant. Approved unanimously.

Amendments rolled together.

There was lengthy discussion on this item. CM Diamond spoke in strong opposition to the headquarters retention grant, calling it extortion. CM Arias asked about the closing of the store on Main St. and the creation of food deserts. CVP Howland asked about what other cities were in contention for the headquarters, if relocated, what incentives were offered, and he asked how many employees work in each store (roughly 65-85). CM Pittman asked why the Main Street store is closing since it is a profitable branch. There was discussion about the history of Winn Dixie in Jacksonville and its role as a community partner.

CM Peluso concurred with CM Diamond and he inquired about replacement stores in economically distressed areas.

CM Johnson asked if the headquarters would relocate without the retention grant.

CM Arias noted the job losses from store closings. CM Pittman said she wants the agreement amended to retain the store on Main Street.

The Chair deferred the bill.
