We don't have a draft or a final – I tapped the brakes on it to try to get some alignment with the McKinsey work.

Attached is an update presentation on the study from March.

Let me know if you want further materials. We are expecting to get a draft final in January.

Good morning Steve,

Can you please send me the new IRP as requested by OGC below. Last we discussed, you advised it is not complete, but they would like the draft if still not complete. Thanks so much!

Jasen,

We have been made aware of the existence of a document in progress since 2018 called an "Integrated Resource Plan." We're informed that it should have reached, at least, draft form by the summer of 2019. I believe this is a 40-year plan, but not sure.

Can you assist us in locating this document in its current form (including all prior drafts)?

Thank you,

Steve
