Enhancement Request:	Ronald McDonald House
Dollar Amount Requested	\$100,000: Expansion of Warm Meals, Warm Hearts Meal Program to feed local at-risk families staying at Wolfson Children's Hospital
Description of Funding Use	In partnership with Ronald McDonald House Charities of Jacksonville, Wolfson Children's has identified an unmet need of families facing food insecurity while staying at Wolfson while unable to leave the hospital due to their child's complex medical care. When parents have a critically ill child, and do not want to leave the hospital, their health and basic needs become secondary. To address this need, Ronald McDonald House will provide nutritious, meals through the expansion of our current Meal Program. Families will be identified by Wolfson Children's. 100% of families served will be at risk for food insecurity. We expect to initially serve 50 meals per day, increasing to 75 meals after six months . In the year of funding, we expect to serve over 22,800 meals to these at-risk families.
How was Funding Amount Determined	<p>The requested funding for this program covers the cost of the food program expansion, specifically to serve the at-risk families staying at Wolfson Children's hospital. It is expected that 80% of the targeted families referred live in Northeast Florida with 100% being at risk for food insecurity.</p> <p>The full cost of the meal program, serving all families associated with Ronald McDonald House is \$682,168. Enhancement Request: Florida Black Excellence Fest - A program of Six Columns Foundation 501(c)3	
Dollar Amount Requested	\$100,000.00
Description of Funding Use	<p>The \$100,000 requested will be utilized to cover essential expenses for the Florida Black Excellence Fest 2025, ensuring the event's successful execution and impact. The funds will primarily go toward securing the event venues, which represent our largest cost and are crucial to locking in the necessary spaces to host our wide array of activities. In addition to venue costs, these funds will also be allocated to critical marketing efforts, which are vital for attracting attendees, vendors, and sponsors. This includes both digital and print marketing strategies aimed at maximizing outreach and engagement.</p> <p>Furthermore, the funds will support printing costs for materials such as programs, schedules, and signage, all of which contribute to the smooth operation and professional presentation of the event. Essential servicing items, particularly audio and visual equipment, are also included in this budget. These are indispensable for delivering high-quality presentations, performances, and seminars that are central to the Fest's mission of celebrating and empowering the Black community in Florida.</p> <p>Overall, securing this funding is imperative to ensuring that the Florida Black Excellence Fest 2025 continues to grow as a destination event, bringing significant economic and cultural benefits to Jacksonville and beyond.</p>
How was Funding Amount Determined	<p>The requested funding amount of \$100,000 was determined based on our previous experience and the specific needs of the Florida Black Excellence Fest. Last year's budget revealed that over \$140,000 was spent on venue costs and associated audio, sound, and visual needs. Given this significant expenditure, our team strategically decided to request \$100,000, which</p>

Enhancement Request Form

	<p>aligns with our previous successful request for the same amount.</p> <p>This request represents approximately 17% of our overall budget of \$600,000. We believe this is a nominal and reasonable request that reflects our prudent financial management and the impact that last year's funding had on the event's success. Our team continues to actively raise additional funds through sponsorships, grants, and other revenue streams to cover the remaining budget.</p>
<p>Is this a One-Year Request or is Recurring Funding needed?</p>	<p>This is a one-year request for the upcoming 2024-2025 fiscal year, specifically to support the Florida Black Excellence Fest 2025. While the event is annual, with the Six Columns Foundation running related programs throughout the year, our current focus is on securing funds for this year only.</p> <p>As we continue to grow the Florida Black Excellence Fest into a major destination event with significant economic impact—similar to the Essence Fest in New Orleans—we envision establishing a more strategic and robust partnership with the city. In the future, this could evolve into a recurring request or even become a line item in the city's budget, reflecting the ongoing value and impact of the event on the community.</p>
<p>Does this Enhancement Involve any Full Time or Part Time Employees? If so, describe.</p>	<p>The requested funds are not intended to cover any staff salaries. However, the Florida Black Excellence Fest does involve staff participation closer to the event and employs contract employees specifically for event management and coordination.</p>
<p>Public Purpose Discussed with OGC?</p>	<p>Yes, the public purpose of this enhancement request has been previously discussed with the Office of General Counsel (OGC). Last year, our funding was approved by the city council, and the grant contract was prepared by OGC. The Florida Black Excellence Annual Event is already on record with OGC as a program driven by The Pollock Group, which is registered with the City of Jacksonville.</p> <p>This year, while The Pollock Group will continue to serve as the managing and marketing arm, the event itself is now being run under the Six Columns Foundation, a 501(c)(3) organization.</p>
