Dear Mr. Garrett:

Macquarie Infrastructure and Real Assets, Inc. (“MIRA”) hereby produces the requested document and responds as follows to the Subpoena dated April 10, 2020 (the “Subpoena”).

MIRA is producing the responsive document, attached to this letter and bates-numbered MACQ_000001, which lists all of the advisors that it employed in connection with the JEA ITN as specified in request no. 1 of the Subpoena.

As agreed in our telephone conversation on April 30, 2020, in response to request no. 2 of the Subpoena, I refer you to the Public Records Document Repository on JEA’s website (<https://www.jea.com/microsite/promise/promise.html>) which hosts, among other things, transcripts and recordings of negotiation sessions and presentations involving all respondents, including MIRA. MIRA is unaware of any other documents in its possession that would be responsive to this request.

MIRA provides this document in response to the Subpoena without in any way waiving or intending to waive any objections, including relevance, materiality, privilege, or the right at any time to revise, supplement, correct, amend, or clarify its responses and objections.

Please contact me at paul.sirkis@macquarie.com or 917-863-1689 if you have any questions or concerns.

Very truly yours,

Christopher M. Garrett
