---

Greetings, everyone. I hope this missive, composed on behalf of CP Newby, reaches you doing well.

In light of the recent increase in COVID-19 cases, in our area, Council President Newby encourages the following actions:

- Please get vaccinated at the earliest possible opportunity.
- Please maintain established social distancing.
- Please wear a mask when you are not in your personal workspace.
- If you have been exposed or are experiencing symptoms, please refrain from coming to work. Please get tested at the earliest possible opportunity.

Again, these are recommendations not mandates. You are being encouraged to take appropriate actions to keep each of us and our families safe.  
Have a pleasant and productive remainder of your day!

Sincerely,

**Tracy McGeathey**
