Good afternoon, Director Oberdorfer:

Mayor Curry has signed (December 2, 2021) and returned Legislative Bill 2021-761-E (December 6, 2021) , which has a directive for the Director/Council Secretary, see attachment and referenced section of the legislation below:

Section 3. Directive to Council Director/Secretary regarding supplemental disclosure information. The Council Director/Secretary is directed to coordinate with the Office of Ethics, Compliance and Oversight to receive copies of and publish the supplemental disclosure information required by Section 602.413, *Ordinance Code*, on the City Council website.

I wanted to provide you a copy of the signed legislation , and set up a meeting by which processes, procedures and electronic web-based transparency will be accomplished. I have a few ideas I would like to share. Please contact me for a meeting at your convenience.

Thank you.

Cheryl
