This requirement shall not be construed to interfere with, suspend or set aside any other business of the Council, except to the extent necessary to complete these procedures in the manner prescribed in this Part. If, at any time after the demand is filed and before the hearing on the charges concludes, the officer against whom the demand is lodged resigns from the office of President or Vice President, as the case may be, it shall be in order at any meeting thereafter to move that further proceedings under this Part be dispensed with and, if said motion is adopted by the Council, the demand and, if there has been one, the formal charge shall be deemed to have been withdrawn.

RULE 1.404 REFERRAL TO AND REPORT BY RULES COMMITTEE; RESOLUTION SETTING HEARING; CITATION

(a) Referral to and Report by Rules Committee. When the demand is filed with the Council Secretary, it shall be automatically referred to the Rules Committee for a determination as to whether probable cause exists for the Council to conduct a hearing on the charges and specifications contained in the demand. When the demand is so referred, the President shall have no power to appoint or remove members of the Rules Committee nor to designate another chair or vice chair until the Rules Committee has filed its report on the demand. The Rules Committee shall meet within twenty-four hours after the Council Secretary notifies the chair that demand has been filed to begin making this determination, and it shall file its report on the results of the investigation within seven days. The Rules Committee, during its investigation, may amend or restate the charges to conform to the requirement of Rule 1.401 and the evidence it obtains. The report of the Rules Committee shall be (1) that no probable cause exists for the Council to conduct a hearing and that the officer against whom the demand is lodged not be charged or (2) that probable cause exists for the Council to conduct a hearing and that the officer against whom the demand is lodged be charged.

(b) Resolution Setting Hearing. If the Rules Committee reports that probable cause exists, the report shall be accompanied by a resolution (1) setting a time and date for a hearing on the charges to commence and (2) instructing the Council Secretary to cite the officer being charged to appear before the Council at the hearing to answer the charges. The causes, charges and specifications contained in the demand, as they may have been amended or restated by the Rules Committee, shall be embodied in a formal charge appended to the resolution as a part thereof. The report and, if one is filed, the resolution shall be placed on the agenda of the next Council meeting following its filing.

(c) Citation Prepared. If the Council adopts the resolution mentioned in subrule (b), the Council Secretary shall prepare a citation to the officer charged, substantially in the following form:

RULE 1.405 SETTING OF HEARING TO TRY FORMAL CHARGE

In the resolution mentioned in Rule 1.404(b), the Council shall set a time and date for the commencement of a hearing to try the formal charge made against the President or Vice President, as the case may be. The date for the hearing to begin shall be not less than thirty nor more than sixty days after the date on which the resolution is adopted, and the resolution shall provide that the Council may adjourn the hearing from time to time until the proceedings involved therein are completed. The resolution shall constitute a call for, and the hearing shall constitute, a special meeting of the Council.

RULE 1.406 EFFECT OF ADOPTION OF RESOLUTION

The effect of the adoption by the Council of the resolution mentioned in Rule 1.404(b) shall be immediately to suspend the President or Vice President, as the case may be, hereafter referred to as the officer charged, temporarily in the exercise of the powers and duties of his/her office. The officer charged shall not be deprived of his/her rights as a Council Member nor suspended from his/her seat in the Council.

RULE 1.407 ELECTION OF MANAGERS; ASSIGNMENT OF COUNSEL

At the same meeting at which the resolution mentioned in Rule 1.404(b) is adopted, the Council shall elect five Council Members to act as managers in the conduct of the trial of the formal charge at the hearing thereon. In the election of the managers, the Council Secretary shall distribute to each Council Member present (except the officer charged, if he/she is present), a ballot containing the names of all the Council Members (except the officer charged, if he/she is present); each Council Member shall vote for five Council Members (which may include himself/herself), sign the ballot and return the same to the Council Secretary, who shall open all of the ballots and announce the number of votes for each Council Member; and those five Council Members receiving the largest number of votes cast shall be elected. These managers together shall constitute a select committee of the Council, with such powers as may be granted by the Council at the time of its election to prepare for the hearing, including the power to issue subpoenas or subpoenas duces tecum. The General Counsel shall assist the managers and may assign one or more Assistant General Counsel to serve as trial counsel at the hearing on behalf of the managers.

RULE 1.408 SERVICE OF CITATION

When he/she has prepared the citation, the Council Secretary shall deliver it to the Sergeant-At-Arms, who shall serve the citation upon the officer charged and cited therein in the same manner as provided by law for the service of civil process. The Sergeant-At-Arms shall make his/her return to the Council Secretary. A true copy of the citation, of the formal charge and of the resolution mentioned in Rule 1.404(b) shall be left with the officer charged. The Sergeant-At-Arms shall attempt service of the citation as often as may be necessary to effect proper service under this Rule; provided, that service by means of telephonic communication shall not be sufficient.

RULE 1.409 RIGHTS OF OFFICER CHARGED

At all times, the officer charged shall have the following rights:

- (a) To be notified, by means of the formal charge, of the charges and specifications against him/her and the cause for which he/she is proposed to be removed.
- (b) To have the assistance of and to be represented by legal counsel of his/her own choosing.
- (c) To have access to compulsory process issued in the name of the Council for the attendance of witnesses and production of books, papers, documents and other things at the hearing or at a deposition taken pursuant to Rule 1.412(b).
- (d) To confront those persons who appear as witnesses against him/her and to have the opportunity to cross-examine them.
- (e) To be heard in his/her own behalf at the hearing and present testimony and evidence in his/her favor, including depositions taken pursuant to Rule 1.412(b).

RULE 1.410 FILING WRITTEN DEFENSES AND OTHER PAPERS

(a) **Written Defenses.** Within twenty days after he/she is served with the citation, exclusive of the day service, the officer charged shall file his/her written defenses, if any, to the formal charge preferred by the Council and to the charges and specifications therein contained. A defense shall be asserted to each charge and specification, if thereby any defense the officer charged intends to raise; but he/she is not required to assert a defense to any of the charges or specifications. If he/she is without knowledge, he/she shall so state and this statement shall operate as a denial. Defenses may be combined with denials in the same paper, and they may be in the alternative as to any charge or specification. Matters in mitigation of a charge or specification are not defenses and may not be raised or asserted at this stage in the proceedings.

(b) **Written Denials.** Within twenty days after he/she is served with a citation, exclusive of the day of service, the officer charged shall file his/her written denials, if any, of the formal charge preferred by the Council and of the charged and specifications therein contained. Denials shall fairly meet the substance of the charges and specifications denied, and shall be specific denials of designated charges and specifications or a general denial of all charges and specifications. If the officer charged intends to admit any or all of the charges and specifications, he/she shall specify so much of the charged and specifications as are true and shall deny the remainder.

(c) **Requests for Subpoenas or Subpoenas Duces Tecum.** If the officer charged has need of compulsory process to assist his/her defense to the formal charge, he/she may file a request for subpoena or subpoenas and, if books, papers or other physical evidence are to be produced, a specific description or enumeration of the things to be produced, and the time and place where the subpoena is returnable.

(d) **Other Papers.** Other than written defenses, written denials and requests for subpoena or subpoenas duces tecum, no other papers or documents (except evidence filed as a result of a response to a subpoena duces tecum) shall be filed by the officer charged with the Council Secretary before the hearing. However, when testimony is taken before the hearing under Rule 1.412(b), the transcript and any accompanying exhibits may be filed by the officer charged without leave of the Council being necessary.

(e) Amended Papers. An amendment may be filed to correct an error in the original paper or in a previous amendment or to set forth transactions, occurrences or events which have happened or come to the attention of the officer charged since the original paper or previous amendment was filed. The officer charged may amend his/her written defense or written denial once a matter of course before the hearing. Otherwise, an amendment may be filed only with the leave of the Council; provided, that the amendment shall be filed as soon as the necessity therefor arises, but it shall be considered a part of the official record of the proceedings until allowed by the Council.

RULE 1.411 MANAGERS TO PREPARE FOR TRIAL OF FORMAL CHARGE

The managers elected by the Council shall prepare for the trial of the formal charge in the same manner as would any other committee having the same powers as have been granted by the Council to the Managers. The first meeting of the managers shall be held not later than six days after their election, and at said meeting they shall elect one of their members as chair and one as vice chair and otherwise organize to do business. The managers shall be bound by the charges and specifications contained in the formal charge and their investigation may not extend beyond the ambit of the formal charge.

RULE 1.412 DISCOVERY; PERPETUATION OF TESTIMONY

(a) Discovery. Since all meetings of the managers are public meetings and all information gathered by them is a matter of public record, discovery procedures shall not be permitted. Except as provided in subrule (b), the use of depositions, written interrogations, physical and mental examinations and requests for admission, production of documents and things and entry upon for inspection and other purposes by either the managers or the officer charged prior to the hearing is prohibited.

(b) Perpetuation of Testimony. If either the managers or the officer desires to perpetuate the testimony of any person about any matter involved in the formal charge and it is urgent to take such testimony because the person is bound on a voyage at sea, or is about to go out of the City, or is old and infirm, a deposition may be taken and filed with the Council Secretary for use at the hearing. Reasonable notice shall be given by the party proposing to take the deposition to the other party, which notice shall state the name of the witness, the time and place of his/her deposition, the name of the officer taking the deposition and the reason for taking the deposition; a copy of this notice shall be filed with the Council Secretary. A person may be compelled to appear and testify as provided in this subrule in the same manner as witnesses may be compelled to appear and testify before the Council or Committee. At the taking of the deposition, the witness may be required to respond by oral examination or upon written questions. Objections offered at the taking of the deposition to the taking itself, to the reason therefor or to any question or response shall be noted in the transcript of the proceedings. And the deposition shall be filed subject to disposition by the Council of the objections noted, which deposition may include striking a portion of the testimony or exclusion of the entire deposition from the official record. The taking of a deposition to perpetuate testimony will not preclude testimony by the witness at the hearing, but the deposition may be used to contradict or impeach the witness at the hearing.

RULE 1.413 REPORT OF MANAGERS

If, during the course of their preparation for the hearing, the managers conclude that insufficient evidence exists to prove any particular charge or specification, they may recommend that charge or specification be dismissed by the Council before the trial begins. In any event, the managers shall file a report, as provided in Rule 2.204, reporting on their preparations and making such recommendations to expedite the conduct of the trial as they deem necessary.

RULE 1.414 HEARING PROCEDURE

(a) Convening of Council; Presiding Officer; Committee as Whole. At the time set by the resolution mentioned in Rule 1.404(b) for the hearing to begin, the Council shall convene in special meeting. If the officer charged is the President, the Vice President, or in his/her absence, the Rules Committee Chair shall preside; if the charged is the Vice President, the President or, in his/her absence, the Rules Committee Chair shall preside; and if both President and Vice President are charged, the Rules Committee Chair, or in his/her absence another presiding officer elected by the Council Members present shall preside. As soon as the Council is organized to do business, it shall hear the report of the managers and dispose of the recommendations therein made; if a recommendation to dismiss any portion of the formal charge is accepted, that portion shall be omitted from the formal charge and no evidence shall be heard or presented thereon. Thereafter, the Council shall resolve itself into a Committee of the Whole and proceed as provided in subrules (b) and (c) and in accordance with Rule 2.205, except that the presiding officer herein named shall continue to preside over the Committee.

(b) Trial of Formal Charge. As soon as the Council has resolved itself into a Committee of the Whole, the trial of the formal charge shall begin. The order of business during the trial shall be as follows:

1. Reading of the formal charge (as amended, if any portion dismissed).
2. Arraignment of the officer charged.
3. Opening statement by managers.
4. Opening statement by officer charged (may be deferred until case-in-chief).
5. Case-in-Chief by officer charged.
6. Opening statement by officer charged (if deferred).
7. Case-in-Chief by officer charged.
8. Closing arguments by managers.
9. Closing arguments by officer charged.
10. Matters in mitigation by officer charged.
11. Instructions of law to Council Members.

(c) Conduct of Trial. Once the formal charge is read, the trial shall continue without interruption, except for recesses or adjournments from day to day, until a decision has been reached by the Council either removing the officer charged or dismissing the formal charge in toto. It shall always be in order during the presentation of the case-in-chief by the managers or by the officer charged for a Council Member to question a witness by means of written questions submitted to the presiding officer and asked by him/her; but debate of the merits of the formal charge by Council Members with witnesses or among themselves during the trial is not in order. All witnesses shall testify under oath or affirmation and the proceedings shall be reported verbatim. The technical rules of evidence shall be used to prevent or restrict the admission of evidence having probative value, but each charge and specification shall be proved by a preponderance of the evidence. The presiding officer may order the order that no pictures, radio transmissions or photographs be allowed in or of the Council chamber during the trial.

RULE 1.415 FAILURE OF OFFICER CHARGED TO ANSWER FORMAL CHARGE OR TO ATTEND HEARING

If the officer charged shall fail or refuse to answer to the formal charge at the hearing, or to attend the hearing without sufficient excuse for his/her attendance, he/she shall be presumed to have denied each and all of the charged and specifications. The presiding officer shall recite the facts into the record and order that the denial be made a part of the proceedings, and the hearing shall proceed as if the officer charged were present but mute. If the officer charged has timely filed a

written defense or a written denial, the matters admitted as being true by the officer charged shall be deemed to have been proved and the presumption of denial herein shall extend only to those matters not admitted as being true or that have been specifically denied.

RULE 1.416 DEBATE UPON FORMAL CHARGE; REPORT BY COMMITTEE OF WHOLE

At the conclusion of the trial of the formal charge, the Council shall consider what report shall be made by the Committee of the Whole, based upon the testimony and evidence adduced at the hearing, any depositions not excluded by the Council, the written defenses and denials filed by the officer charged and any matters in mitigation offered by the officer charged. Upon the conclusion of the deliberations of the Committee of the Whole, it shall rise to report its conclusions to the Council. If the report of the Committee is that the officer charged be removed from office, it shall be accompanied by a resolution reciting the findings and conclusions of the Council and removing the officer charged from his/her office for the cause or causes stated therein. This resolution may also dismiss any charge or specification which, in the opinion of the Committee, is not supported by the evidence. If the report of the Committee is that the formal charge be dismissed in toto, it shall be accompanied by a resolution reciting the findings and conclusions of the Council, dismissing the formal charge and all of the charges and specifications therein contained and reinstating the officer charged to the full exercise of the powers and duties of the office from which he/she was suspended pursuant to Rule 1.406.

RULE 1.417 PRESENTATION OF REPORT AND INTRODUCTION OF RESOLUTION

The effect of presentation of the report of the Committee of the Whole shall be to introduce the accompanying resolution in the name of the Committee. It shall be in order thereafter to move that the resolution be adopted as an emergency measure, in accordance with the procedures contained in Part 9 of Chapter 4 of these Rules; provided, that the Council shall adopt a resolution removing the officer charged only by two-thirds of the Council Members then in office.

RULE 1.418 EFFECT OF ADOPTION OF RESOLUTION

(a) Removing the officer charged shall be to remove him/her from the office of President or Vice President, as the case may be, and to disqualify him/her from election to that same office for the remainder of the current term, and to create a vacancy in the office, to be filled as provided by Rule 1.204.

(b) Dismissing the formal charge in toto, shall be to dismiss the formal charge and each of the charges and specifications therein contained and the reinstate the officer charged to the full exercise of the powers and duties of the office of the President or Vice President, as the case may be.

RULE 2.103 SPECIAL AND SELECT COMMITTEES

(a) **Special Committees.** A special committee is an *ad hoc* committee appointed or created to give particular and exclusive attention to a single subject matter which would usually be referred to a standing committee but which, because of its technical nature or importance to the City,

requires concentrated study. Unless otherwise directed by the President or the Council, a special committee shall have an unlimited period of time within which to study the matter and make its recommendations to the Council. The business of a special committee takes precedence over the regular business of a standing committee. All special committees shall expire with the term of the appointing President.

(b) Select Committees. A select committee is an *ad hoc* committee appointed to give immediate and exclusive attention to a single subject matter which is not usually part of the Council's business, although within its legislative jurisdiction. A select committee also shall be appointed or created to represent the Council in joint undertakings or studies with other legislative or quasi-legislative bodies. Unless extended by order of the President or the Council, a select committee shall have sixty days from the date of its appointment or creation within which to study the matter and make its recommendations to the Council; provided, that the select committee appointed by the President pursuant to Section 29.07 of the Charter shall have from the date of its appointment until July 1 next following within which to conduct the independent agency review required by Article 29 of the Charter and make its recommendations to the Council. The business of a select committee takes precedence over all other business of the Council, except meetings of the Council.

RULE 2.104 SUBCOMMITTEES

The chair of a standing or special committee may appoint one or more subcommittees, consisting of one or more each, to study individual bills or particular matters within the committee's jurisdiction. To the extent possible, subcommittees shall follow the same rules as are prescribed for committees, and shall report to the committee of which it is a part as soon as it has finished its work. Subcommittees may conduct hearings, but may not interrogate witnesses under oath nor issue subpoenas. The business of a subcommittee is subordinate to the business of the committee of which it is a part.

RULE 2.105 COMMITTEE OF THE WHOLE

In all cases the Council may resolve itself into a Committee of the Whole, and in such event the President shall leave the chair after appointing a chair to preside, who shall have all the powers and duties of a presiding officer. Bills and other matters referred to a Committee of the Whole shall be considered under the rules of procedure prescribed for committees of the Council, and shall be reported in the same manner as reports of standing committees. After report, the bill or other matter may again be debated and amended. The quorum for a Committee of the Whole shall be fourteen, and when the Committee of the Whole rises, the roll shall be called to ascertain the presence of a quorum of the Council. No bill may be considered by a Committee of the Whole except by a two-thirds vote, unless the same has first been considered and reported by the appropriate standing committee or committees; and the effect of referring a bill to the Committee of the Whole by a two-thirds vote shall be to discharge any standing, special or select committee to which the bill may have been referred from further consideration thereof, whether or not such committee may have reported said bill.

PART 2. COMMITTEE PROCEDURE

RULE 2.201 MEETINGS

(a) Standing Committees. The standing committees shall have regular meetings during the first and third weeks of every month for the transaction of committee business, except for the first week in July and the third week in December; and except for any committee scheduled to meet quarterly, or as often as the Chair at his or her discretion desires. The Council President shall

provide the Council Secretary with the time and place of regular meetings, and the Chief of Legislative Services shall publish the same by posting a schedule of standing committee regular meetings in the Legislative Services Division. Providing, however, regular meetings of the committee responsible for land use and zoning issues shall start no earlier than 4:00 P.M. on the day selected for such regular meetings, and further provided that public hearings scheduled to be held during such regular meetings shall start no earlier than 5:00 P.M. Such posting shall constitute continuing notice of such meetings, and no further notice of regular meetings shall be necessary unless the scheduled time and place is changed, when notice of said change shall be published in like manner. A schedule of regular meetings, and changes therein, shall be provided to each Council Member. Whenever a City-observed holiday falls on a Monday during the regular committee meeting week, all regularly scheduled standing committee meetings scheduled for that week shall be held twenty-four hours later. Further providing, however, the committee of reference which reviews financial matters shall, in addition to the times set forth herein, meet to review one-read resolutions regarding economic development investment incentives and related contracts, agreements and appropriations, on the second and fourth Monday of each month (prior to the Council meeting during the Council weeks as established in Rule 4.102), following the week within which legislation has been filed pursuant to Rule 3.901.

(b) Special and Select Committees. Special and Select Committees shall meet at such times and places as may be necessary to conduct their business. If the business of any special or select committee is such that regular meetings are required or become necessary, the chair shall set a schedule of meetings, with the approval of the President, and provide the same to the Council Secretary, who shall post the same, and approved changes therein, in the same manner as provided in subrule (a) for standing committees. Otherwise, notice of meetings of special and select committees shall be given as provided in subrule (c).

(c) Special Meetings. Notice of the time and place and matters to be considered at any special meeting of a standing committee or, except as provided in subrule (b), at a meeting of a special or select committee shall be given to all Council Members, which notice shall be written, approved by the committee chair and served not less than twenty-four hours before the time of such committee meeting. The Chief of Legislative Services shall post a copy of such notice in the Legislative Services Division. In extraordinary circumstances, as determined by the President, subject to the appeal of the Council, the President may recess a Council Meeting and call any committee to order.

RULE 2.202 ATTENDANCE; VOTING

(a) Attendance. Each Council Member shall attend every regular or special meeting of each standing, special or select committee to which he/she is appointed, unless excused by the committee chair. Any member who is ordered into military service pursuant to state or federal law, and who provides notice to the Council Secretary or the Chief of Legislative Services upon receiving such order, shall be excused from all meetings during the period of such military service and shall not be required to provide any additional notice of absence. Failure to attend three consecutive regular meetings of a standing committee, or three meetings of a special or select committee without excuse may, upon recommendation by the chair to the President, constitute automatic withdrawal from the committee and create a vacancy, which shall be filled by appointment by the President. Every Council Member may attend any meeting of any committee of which he/she is not a member and there participate in interviewing of witnesses and offer his/her comments and observations, but he/she may not vote on any question, except the President as provided in Rule 2.211.

(b) Voting. Each member of a committee present shall vote on every question, unless precluded by direct personal interest in the outcome of the vote.

RULE 2.203 CONSIDERATION OF REFERRED MATTERS

All committees shall report every subject referred to them and shall dispatch as expeditiously as reasonably possible and proper the public business assigned to them. It shall be the duty of the committee chair to insure that the committee's business is promptly and properly considered, and that meetings of the committee and its subcommittees are held as scheduled or called and the business thereof adequately disposed of. All matters referred to a committee for investigation, which are not in the form of a bill, shall be reported from the committee by bill unless the investigation reveals that no legislation is necessary, when a full report of the committee's findings shall be filed.

RULE 2.204 COMMITTEE REPORTS; RECOMMENDATION FOR SECOND READING AND RE-REFERENCE

It shall be the duty of each committee to "report" a recommendation for all bills referred to them. A bill in committee may be moved "approval" (with or without an amendment or substitute) or "withdrawal." A majority of the membership of the committee shall be required to vote in favor of one of these motions to report a bill out of committee, except that a motion for approval of a bill that fails with at least a majority of the membership voting against it shall be reported as a denial. The committee's report shall constitute a recommendation for Council action on the bill. A bill shall never be reported "without recommendation". Each report of a committee shall be taken by the electronic roll-call system or in writing, signed by the committee members making the report. Each report shall contain the action of the committee on the bill being transmitted, together with the time and place of the meeting at which the action was taken and the vote of each committee member on the motion to report the bill. A committee may recommend that a bill be read for the second or subsequent time by the Council and then re-referred to the committee for further consideration: such a recommendation shall not constitute a report, and shall not be subject to the voting and filing requirements applicable to a report and shall be accomplished by reading the file number of the bill at the committee meeting. Furthermore, a committee may recommend that a bill be amended or substituted by the Council and then re-referred to the committee for further consideration; such a recommendation shall constitute a report, and shall be subject to the voting and filing requirements applicable to a report.

RULE 2.205 TIME FOR CONSIDERATION; DISCHARGE OF COMMITTEE

A committee shall strive to report every bill referred to it no later than the third regular meeting of the Council following such reference or at such time as may be separately recommended by the President. A bill may be discharged from a committee and placed on the agenda of the Council either by the President, or by the Council by a two-thirds vote of the Council Members present at a regular meeting of the Council.

RULE 2.206 COMMITTEE SUBSTITUTES

(a) Council Public Hearing Defined. A Council public hearing is a meeting of the Council, or a specified portion thereof, at which the privilege of the floor is granted to the general public and members thereof may address the Council on the subject for which the public hearing is called. A public hearing is designed to elicit comments and observations from the general public and to afford the members of the general public an opportunity to speak directly to the full Council. Comments shall be limited to three minutes, unless a lesser time is fixed for all speakers on that public hearing topic by the presiding officer, subject to the confirmation of Council, and no person shall be allowed to give or transfer his/her time to speak to another person.

(b) When Held. Although the Council has need of the comments and observations of the members of the general public, the business of the Council requires that public hearings by the full Council be held to the minimum number. Consequently, except for public hearings required by law, a public hearing by the full Council will be scheduled only by order of the President, the Rules Committee or two-thirds of the Council Members present at any meeting. With respect to the order of public hearings on the agenda:

(1) Public hearings required by §166.041, Florida Statutes, shall be held as follows:

(2) Public hearings required by Section 380.06 (development of regional impact), Florida Statutes, shall be held as prescribed by the Florida Statutes and shall be scheduled after the required time has elapsed for the Department of Community Affairs review of any development of regional impact, substantial or non-substantial.

(3) All other public hearings shall be held as required by Florida Statutes, the Ordinance Code, the Council Rules, or as set by the Council or the Council President. The purposes for the public hearings shall be stated when held.

Subject to the provisions of Rule 4.806(b), all those in favor of the bill shall first be given an opportunity to speak, then those in opposition to the bill; the proponents shall then be given an opportunity to reply to the claims and allegations of the opponents. At any time during the public hearing, the Council Members may question any speaker concerning his/her remarks at the conclusion thereof, and may recall any speaker for clarification of his/her previous remarks or additional remarks, if any he/she has. When all members of the general public who have been scheduled to speak have done so and the Council Members have finished their questioning of the speakers, the presiding officer shall declare the public hearing(s) to be closed, and no further remarks shall be heard from the general public. Council Members may question a speaker only to elicit information, comments or opinions and may not debate the merits of the bill, either with a speaker or among themselves, during a public hearing.

RULE 3.602 PUBLIC HEARINGS: COMMITTEES

(a) Committee Public Hearing Defined. A Committee public hearing is a meeting of a committee, or a specified portion thereof, at which the privilege of the floor is granted to the general public and members thereof may address the committee on the subject for which the public hearing is called. A public hearing is specifically designed to elicit comments and observations from the general public and to afford the members of the general public an opportunity to speak directly to the committee concerning a particular matter of great public interest or importance. All meetings of a committee are public meetings, at which the public may, at the pleasure of the committee, address the committee; but a public hearing is an extraordinary procedure used only to gain information not otherwise obtainable or to hear both sides of a controversy or to argue the merits of a matter.

(b) When Held. A committee shall hold a public hearing as required by the Ordinance Code, when ordered by the President, the Council or a majority of the members of the subject committee. Notwithstanding any provision in these rules to the contrary, if a regular meeting day shall fall on a date that coincides with the observances of a religious holiday, such regular meeting may be rescheduled at the direction of the Council President.

RULE 4.103 SPECIAL MEETINGS

The Mayor, or the President, or seven or more Council Members may call a special meeting of the Council upon not less than twenty-four hours notice to every Council Member. Notice of the call of such special meeting shall be in writing, signed by the party or parties making the call and shall be served on every Council Member. RULE 4.104 SHADE MEETINGS

For the purposes of these Rules, "shade meeting" refers to a meeting of the Council that has been given a limited exception from the Florida Open Meetings Law, and the communications therein are confidential. There are two (2) types of "shade meetings" authorized by Florida Law at the present time:

(a) Collective bargaining - Section 447.605, Florida Statutes, grants a legislative exemption to discussion between a City Council and a Mayor or designee relative to collective bargaining. These discussions are permanently confidential.

(b) Litigation - Section 286.011(8), Florida Statutes, grants a legislative exemption to discussions among the City Council, the Mayor and the City's legal counsel concerning certain matters related to pending litigation. RULE 4.105 RECESSED OR ADJOURNED MEETINGS

The Council at any meeting may recess or adjourn to a time certain on the same or another day, or fix the date and time of a meeting, for transacting any business or specified business only, as may be determined by the Council in taking such action. Provided however, any regular or special meeting of the Council which extends beyond the hour of 12:00 P.M. (midnight) shall be automatically recessed until 9:00 A.M. the following day, unless this rule is suspended by a majority vote of the Council Members present at the meeting. A call of the Council suspends all business before the Council, except the proceedings involved in the call itself. When the call is ordered, the Council Secretary shall call the roll of the Council Members, beginning with the name of the presiding officer and continuing alphabetically until all names have been called; and then he/she shall call over again the names of the absent Council Members, when excuses can be offered. After the second roll call, the doors of the Council chamber shall be locked and no Council Member permitted to enter or leave. The presiding officer shall issue a warrant, directed to the Sergeant-At-Arms, commanding him/her to arrest and bring before the bar of the Council the absent Council Members named in the warrant, which shall be all the absent Council Members for whom no sufficient excuse was offered, to await the orders of the Council and to attend the meeting of the Council then in session until its adjournment. The Sergeant-At-Arms shall execute the warrant according to its terms and make his/her return that he/she (a) found one or more, or all, of the absent Council Members or (b) could not find one or more, or any, of the absent Council Members. The presiding officer shall arraign

Each Council Member, in speaking on any matter, shall confine himself/herself to the question, shall not use unbecoming, abusive or unparliamentary language, shall not engage in personal attacks on fellow Council Members or on any speaker before the Council, and shall promote, in the manner and substance of his/her speech, the dignity of, and respect for the Office of City Council and the legislative process.

RULE 4.505 DISRUPTION OF MEETING

Any person who disrupts a Council meeting may be forthwith barred, removed, or otherwise ejected, in the discretion of the presiding officer, from further attendance at that meeting. If necessary due to the nature of the disruption, the audience may be cleared from the Council Chambers or meeting location in the discretion of the presiding officer. Furthermore, the presiding officer shall expect audience members and speakers to conduct themselves with civility and shall expect audience members to refrain from threatening behavior or language. PART 6. VOTING

RULE 4.601 MAJORITY ACTION

Unless otherwise required by the Charter or ordinances of the City or indicated by these Rules, all action by the Council shall be by majority vote of Council Members present, who have not abstained pursuant to Rule 4.602. A majority vote of all the Council Members (10) shall be necessary to approve and adopt each annual budget required by the Charter to be submitted to the Council, or any item thereof, or to adopt or pass any motion or other action appropriating or authorizing the expenditure of money. For quasi-judicial matters, a tie vote of all Council members present and voting shall not constitute a denial of the subject application. In the event of a tie vote on a quasi-judicial matter, the Council may move to reconsider the item for the purpose of moving and acting on an alternate motion, rerefer the item back to the appropriate committee of reference for additional consideration, or take any other action authorized by these Rules or applicable law.

RULE 4.602 VOTING REQUIRED

Each Council Member present at any meeting of the Council shall vote on each question put. No Council Member shall vote on any question immediately concerning his/her private pecuniary interest. In those cases, the Council Member shall abstain from voting and file a statement with the Legislative Services Division explaining the nature and circumstances of the conflict pursuant to Section 112.3132, Florida Statutes. Unless a Council Member abstains from voting because of a conflict as set forth herein above, then any Council Member who refrains from giving his/her vote when required to do so by this Rule shall be deemed to have given his/her vote in the affirmative.

RULE 4.603 MANNER OF VOTING

Votes on procedural matters, including withdrawals, amendments, substitutions and emergencies shall be by voice vote; the vote on the motion to declare these matters shall be by roll call vote. Roll call votes shall be taken by the electric roll-call system. In the case of a voice vote, if the presiding officer is in doubt, or upon the request of four Council Members, the presiding officer shall call for a rising vote, for a division of the Council or for a roll-call vote. If the electronic roll-call system fails or is unavailable, votes on motions may be done by hand vote, and the Legislative Services Division may record the vote of each Council Member by alternative ballot. Each alternative ballot shall be certified by the Chief of Legislative Services.

RULE 4.604 CHANGE OF VOTE

On all roll-call votes, after the vote has been taken but before the announcement of the result, a Council Member may (a) change his/her vote or (b) vote. After announcement of the result, no vote may be changed or taken on the question. The provisions of Rule 4.602 shall not be construed to be affected by this Rule.

RULE 4.605 PROXY VOTING PROHIBITED

No Council Member shall vote for another Council Member, nor shall any person not a Council Member cast a vote for a Council Member. Any person not a Council Member who shall vote wrongfully in the place of a Council Member shall be excluded from the Council chambers for the remainder of the meeting. The Legislative Services Division may manually enter a Council Member's vote into the electronic roll-call system, only if the Council Member is physically present in the meeting, and can verbally or visibly express their vote on the record and upon the direction of the presiding officer or committee chair. If the electronic roll-call system fails or is unavailable and upon direction of the presiding officer or committee chair, the Legislative Services Division may record the vote of each Council Member by alternative ballot. Each alternative ballot shall be certified by the Chief of Legislative Services.

If a motion to reconsider is lost, it shall not be renewed again. The motion shall be that the Council declare the bill to be an emergency measure and pass the same without regard to separate readings, and the effect of the motion, if carried, shall be to remove the bill from the calendar and bring it immediately before the Council for consideration. The motion to declare a bill an emergency measure shall not be made when the bill is on third reading, unless it has previously been re-referred to a committee.

RULE 4.902 DEBATE UPON EMERGENCY AND BILL

The motion to declare a bill an emergency measure is debatable and, if lost, may be reconsidered. If a motion is made that a bill be declared to be an emergency, the Council shall debate the existence of the emergency and vote on the motion before any debate may be had on the merits of the bill. If the motion to declare the bill an emergency measure carries, the Council shall debate the merits of the bill as fully as if it were in Committee, regardless of its reading status immediately before the motion to declare the bill an emergency measure carried.

RULE 4.903 VOTE REQUIRED TO PASS EMERGENCY MEASURE

(a) In the case of an ordinance being considered as an emergency measure, it shall be necessary for two-thirds of the entire Council to vote for its enactment as an emergency measure.

(b) In the case of a resolution being considered as an emergency measure, it shall be necessary for a majority of the Council Members present to vote for its adoption as an emergency measure.

RULE 4.904 EFFECT OF INSUFFICIENT VOTE

If a bill fails to pass as an emergency measure, it shall not be defeated, but it shall remain on the master agenda with the same status it had immediately before the motion to declare the bill an emergency measure carried.

RULE 4.905 CERTAIN ORDINANCES NOT TO BE ENACTED AS EMERGENCY MEASURES

No ordinance that rezones or modifies the permitted use of real property shall be enacted as an emergency measure unless it meets the reading and public hearing requirements of Section 166, Florida Statutes.

RULE 4.906 EMERGENCY DEFINED

For the purpose of these rules, an emergency measure is an ordinance or resolution needing prompt passage because time is of the essence and a delay in passage will thwart the purposes of the measure and the public interest; or is needed to secure funding for any appropriation; or is needed to secure any agreement which is in the public interest; or is needed to protect the property, health, safety, or welfare of the City or its citizens.

PART 10. VETOED LEGISLATION

The President may refer a disapproved ordinance or resolution, budget appropriation item or sum of money to the appropriate committee for reconsideration; this reference may be made as soon as the disapproved measure is received from the Mayor, with instructions that the committee report at the Council meeting at which the disapproved measure will be considered by the Council. The committee of reference, and each of them if more than one, shall file its report without regard to the time limit prescribed by Rule 2.204, but the committee may recommend only that the Council (a) pass the disapproved measure notwithstanding the veto by the Mayor or (b) not pass the disapproved measure.

When the motion is made that the ordinance or resolution, budget appropriation item or sum of money be passed notwithstanding the veto of the Mayor, the President shall put the appropriate question to the Council for consideration and decision, as follows:

- (a) Shall (the ordinance or resolution) be adopted and become effective notwithstanding the veto of the Mayor?
- (b) Shall (the item in the budget appropriation) be adopted as law notwithstanding the veto of the Mayor?
- (c) Shall (the sum of money in the item disapproved or reduced) be restored to the ordinance and become effective notwithstanding the veto of the Mayor?

RULE 4.1004 VOTE REQUIRED TO OVERRIDE VETO

If two-thirds of all Council Members present shall vote "yea" on the question when it is stated as to a vetoed ordinance or resolution, the presiding officer shall declare that the ordinance or resolution has been adopted and become effective notwithstanding the veto of the Mayor; otherwise, that the Mayor's veto has been sustained. If a majority of the entire Council shall vote "yea" on the question when it is stated as to a vetoed item in the budget appropriation or as to a sum of money in an item disapproved or reduced in any ordinance appropriating money, the presiding officer shall declare that such item in the budget appropriation has been adopted as law, or that such sum of money in the item of the ordinance appropriating money has been restored and become effective, as the case may be, notwithstanding the veto or disapproval of the Mayor; otherwise that the Mayor's veto or disapproval or reduction, has been sustained.

PART 11. APPOINTMENTS AND CONFIRMATIONS

(b) Each appointee for consideration for reappointment who has an attendance record of less than 75% shall be required to appear before the committee to which consideration of the reappointment has been referred, and there may be interviewed by any member of the committee or any Council Member. The attendance record shall be calculated for the immediately preceding term of the board or commission for which the appointee has been approved by legislation. The attendance calculation shall be calculated on the attendance of the board or commission member for meetings of the full board or commission.

RULE 4.1102 VOTE REQUIRED TO APPOINT OR CONFIRM

The appointment of all officers, employees or appointees of the Council and the confirmation or approval of all appointments of officers, employees and appointees required to be confirmed or approved by the Council shall be by a majority vote of the whole number of the Council Members.

RULE 4.1103 CONFIRMATION OF THE GENERAL COUNSEL

Upon the introduction of any resolution confirming the appointment or reappointment of the General Counsel, Legislative Services shall notify the Clerk of Court, Property Appraiser, Sheriff, Supervisor of Elections, Tax Collector and Chairperson of the Duval County School Board and encourage them to provide oral or written input and guidance to the Rules Committee and any other committee considering said appointment or reappointment, as to the fitness of the appointee to be General Counsel.

Council committees considering the confirmation of a General Counsel appointee should consider the appointee's relative qualifications, including but not limited to his or her integrity, professionalism, academic credentials, standing in the community, management skills, and capacity to work with, and objectively and properly represent, all constituent clients in the consolidated government structure.

PART 12. COLLECTIVE BARGAINING

RULE 4.1201 RESPONSIBILITY OF COUNCIL

Section 447.309, Florida Statutes, establishes the collective bargaining procedure for public employees. In this procedure, the Council, as the Legislative body of the City and of the consolidated government, has a limited and clearly defined role, with respect to both the Mayor, as the chief executive and the primary negotiator, and the public employee bargaining unit, as the recognized representative of the public employees in the bargaining unit. As authorized by the Legislature, the Council has the following responsibilities, and only the following responsibilities, in the collective bargaining process:

(a) The Council, or the special committee on labor negotiations consultation, appointed by the President pursuant to Rule 4.1202, shall consult with the Mayor or his/her designated representative as to the views of the Council concerning negotiations under Section 447.309, Florida

Statutes. Such consultation shall take place only at the request of the Mayor or his/her designated representative and only upon such subjects with respect to the negotiations as are specified by the Mayor or his/her designated representative.

(b) The Council shall examine and either ratify or reject a collective bargaining agreement arrived at as a result of negotiations. This responsibility begins only after the negotiations have been completed; the Council has no part (except as provided in subrule (a)) in the negotiating of the terms and conditions contained in the agreement.

(c) The Council makes the appropriations necessary to fund the provisions of the collective bargaining agreement, at the request of the Mayor. The Council is not obligated to appropriate all of the funds requested by the Mayor, but may appropriate a lesser amount.

(d) The Council shall resolve all impasses arising under the provisions Section 447.403(4), Florida Statutes, in the manner provided therein.

RULE 4.1202 CONSULTATION WITH MAYOR

The Finance Committee, or a special committee, appointed by the President, which may be a subcommittee of a standing committee, on labor negotiations consultation shall meet with the Mayor or his/her designated representative at any reasonable time when requested to do so by the Mayor or his/her designated representative and consult with him/her on such matters concerning collective bargaining as he/she may bring before the committee. At all times the committee shall endeavor to present the views of the Council, but the committee shall not instruct the Mayor or his/her designated representative nor accompany him/her to any collective bargaining negotiations as official representatives of the public employer or the Council. The committee, and each of its members, is expressly prohibited from consulting, bargaining or negotiating with any employee, employee group (whether or not registered with the Public Employees Relations Commission under Section 447.305, Florida Statutes) or certified employee organization, or any agent or representative thereof, at any time, regardless of whether any collective bargaining negotiations by the Mayor or his/her designated representative are in progress. All consultations by the committee with the Mayor or his/her designated representative are confidential as between the Council and the Mayor or his/her designated representative and are exempt from Section 286.011, Florida Statutes and, if the committee holds an executive session, no minutes shall be taken during the time that the committee is in executive session, notwithstanding the requirement of Rule 2.212(a). It is a violation of section 112.313(6), Florida Statutes, for any Council Member to disclose a confidential discussion in order to benefit the Member, or any other person or entity.

RULE 4.1203 RATIFICATION OF COLLECTIVE BARGAINING AGREEMENT

(a) General. The Mayor or his/her designated representative may not conclude a collective bargaining agreement unless at least two meetings between the Mayor or his/her representative and a Council Committee concerning said agreement have been held pursuant to Rule 4.1202, Rules of Council. Whenever the meetings required by this rule have been held and thereafter, the Mayor or his/her designated representative and a public employee bargaining unit have concluded a collective bargaining agreement, the same shall be reduced to writing, signed by the persons who negotiated the agreement, or such of them as are authorized to sign the agreement, and approved as to form by the General Counsel or an Assistant General Counsel. No collective bargaining agreement shall be presented to the Council until all of the things required by the preceding sentence have been done, nor shall any such agreement be presented to the Council until the bargaining unit has ratified it. A collective bargaining agreement shall be ratified or rejected by the Council by resolution.

(b) Special Procedures. In considering and debating upon a collective bargaining agreement, the following special procedures shall apply to actions by both the Council and any committee of reference:

(1) The terms and conditions of the agreement may not be amended, and it shall not be in order for any Council Member to offer any such amendment; provided that, if the parties to the negotiations from which the agreement arose jointly request in writing, signed by such parties with the same formalities as the document which it requests to amend, that an amendment be made, it shall be in order to offer an amendment strictly in accord with the request.

(2) No public hearing shall be held concerning the collective bargaining agreement, and no person shall be permitted to offer, suggest or propose changes in the agreement. The prohibition of this paragraph shall not be construed to prevent or prohibit the Council or committee from requesting and receiving information of a factual, financial, statistical or legal nature in order to gain an understanding of the terms and conditions of the agreement, nor to prevent or prohibit the parties to the negotiations from which the agreement arose from proposing changes in writing, signed by such parties, as a result of further collective bargaining negotiations between the parties.

(3) No Council Member shall meet with any employee, employee group (whether or not registered with the Public Employees Relations Commission under Section 447.305, Florida Statutes) or certified employee organization, or any agent or representative thereof, for the purpose of bargaining or negotiating for changes in the collective bargaining agreement or for any other purpose directly or indirectly related to the amendment, ratification or rejection of the agreement.

RULE 4.1204 RESOLUTION OF IMPASSES

(a) Submission of Recommendations. Whenever there is an impasse under Section 447.403, Florida Statutes and the Council is required to resolve the impasse under Section 447.403(4), Florida Statutes, the Mayor or chief executive officer of the independent agency, as the case may be, shall submit his/her recommendations to the Council in writing, together with the findings of fact and recommended decision of the special master. The bargaining unit shall also submit its recommendations in writing to the Council, before the public hearing on the impasse. The public hearing shall be held by the Council sitting as Committee of the Whole, unless the matter is referred to a standing committee as provided in subrule (b); and the additional procedures prescribed in subrule (b) shall apply to the Council when it is sitting as a Committee of the Whole hereunder.

(b) Reference of Impasse Hearing to Committee. The President may, by letter, refer the public hearing on the impasse to an appropriate standing committee, in lieu of a public hearing by the Council. If the reference is so made, the Committee shall forthwith schedule and conduct a public hearing on the impasse. The procedures set out in Rule 3.602 shall govern the conduct of the public hearing, but the following additional procedures shall also apply during the public hearing and committee debate on the issues involved in the impasse:

(1) The order of business at the public hearing, after the committee is called to order, shall be as follows:

- i. Reading of the findings of fact and recommended decision of the special master;
- ii. Explanation of the position of the public employer with respect to the recommended decision of the special master;

- iii. Explanation of the position of the employee organization with respect to the recommended decision of the special master;
- iv. Comments from the members of the general public who are present and wish to address the committee on the issues involved in the impasse proceeding before the special master;

- vi. Decision by the Committee as to its recommendations to the Council for resolution of the impasse;
- vii. Adjournment of public hearing.

(2) If the committee desires, it may adjourn after hearing the comments from the members of the public and consider its decision at an adjourned session of the public hearing or at a later meeting of the committee.

(4) The members of the committee may ask questions of the persons who address the committee, but they may not bargain with such persons or attempt to exact concessions from such persons in return for particular decisions by the committee. Any such action by a member of the committee shall be strictly out of order and the committee chair shall prevent the continuance of such action, without the necessity for a question of privilege being raised.

(5) The committee may consider only the proposals contained in the recommendations of the special master, the public employer and the bargaining unit. With respect to such proposals, the committee shall have complete power and may combine, change, adopt and reject any elements of such proposals. The decision, recommendation and report of the committee shall address all of the issues involved in the impasse proceedings before the special master.

(c) Debate by Council. When the Council considers its action with respect to the impasse, debate shall be conducted under the usual rules applicable to debate, but the following additional rules of debate shall also apply:

(2) The Council may consider only the proposals contained in the recommendations of the special master, the public employer and the bargaining unit, and the recommendations contained in the report filed by the committee which held the public hearing on the impasse. With respect to such proposals and report, the Council shall have complete power and may combine, change, adopt and reject any elements of such proposals and any recommendations in such report. The decision of the Council shall address all of the issues involved in the impasse.

(3) No Council Member may engage in collective or individual discussions with any employee, employee group (whether or not registered with the Public Employees Relations Commission under Section 447.305, Florida Statutes) or certified employee organization, or any agent or representative thereof, relative to any issue involved in the impasse.

CHAPTER 5. CONSTRUCTION, SUSPENSION AND AMENDMENT OF RULES

RULE 5.101 PARLIAMENTARY AUTHORITY

Robert's Rules of Order, Newly Revised, so far as they are applicable and are not in conflict with these Rules or the Ordinances or Charter of the City, shall govern the proceedings of this Council. The Chair of the Rules Committee shall also be Parliamentarian of the Council and shall advise the presiding officer with respect to parliamentary procedure and the proper application of these Rules to the business of the Council.

RULE 5.102 INTERPRETATION OF RULES

It shall be the duty of the presiding officer to interpret all Rules. When used in these Rules, unless the text otherwise indicates:

- (a) The singular includes the plural.
- (b) The masculine includes the feminine.
- (c) "Service" and "served", with respect to a Council Member, means delivery of the notice, orally, electronically or by paper, to the Council Member personally or to someone above the age of fifteen years if served at the Council Member's residence.

RULE 5.103 EFFECT OF RULES ON LEGISLATION

No ordinance, resolution or action duly passed, adopted or taken by the Council shall be held to be invalid because of failure of the Council to comply with or abide by any one or more of the provisions of these Rules if such ordinance, resolution or action would otherwise be valid under the Charter or ordinances of the City or laws of this state but for such provisions of these Rules alleged to have been violated or ignored.

RULE 5.104 SUSPENSION OF RULES

Any Rule may be temporarily suspended, unless such suspension would conflict with provisions of the laws of Florida, the Charter or ordinances of the City, by a vote of two-thirds of all the Council Members (13). The Rules shall not be suspended to amend any Rule or part thereof.

RULE 5.105 AMENDMENT OF RULES

No permanent change shall be made without notice specifying the purpose and wording of the change given at a previous regular meeting of the Council and the adoption of the permanent change by a vote of two-thirds of all the Council Members.

CHAPTER 6. PROCEDURES GOVERNING QUASI-JUDICIAL ACTIONS

PART 1. GENERAL PROVISIONS

RULE 6.101 INTENT; APPLICABILITY

The intent of these rules is to establish procedures which ensure procedural due process and maintain citizen access to the City land use decision-making process. These rules shall be applied and interpreted in a manner which recognizes both the legislative and judicial aspects of the City land use decision-making process and encourages full participation within the quasi-judicial decision-making process by applicants and other parties who have legal standing to participate, based upon Florida law. (As used herein, the term “party” includes any individual or group who qualifies as an “affected party” pursuant to Rule 6. 302, as well as the applicant.) These procedures shall apply to all quasi-judicial actions of the Council, including but not limited to, site specific rezonings, appeals of final orders of the Planning Commission concerning zoning variances and exceptions, DRI development orders and amendments thereto, historic landmark designations and any other proceeding in which the Council acts in a quasi-judicial capacity.

RULE 6.102 QUASI-JUDICIAL HEARINGS EITHER INFORMAL OR FORMAL

The quasi-judicial hearings before the Council shall be either informal or formal hearings. An informal quasi-judicial hearing is a hearing in which an applicant, and all interested parties, including the public, may present testimony for or against an application before the Council and the hearing is conducted in accordance with the procedures set forth in Part 2. A formal quasi-judicial hearing is a hearing in which an applicant and any affected parties have the rights and responsibilities set forth in Part 3 of these Rules and the hearing is conducted in accordance with the procedures set forth in Part 3.

RULE 6.103 EVIDENTIARY DETERMINATIONS FOR INFORMAL AND FORMAL QUASI-JUDICIAL PROCEEDINGS

The Council shall not be bound by the rules of evidence, or limited to consideration of evidence which would be admissible in a court of law. The Council may exclude evidence or testimony which is not relevant, material or competent, or testimony which is unduly repetitious. The Council President or Chair of the Committee of Reference, as the case may be, shall at his or her discretion, render determinations concerning the relevancy of evidence. The Council President, Committee Chair or any Council Member may seek advice from the Office of General Counsel concerning the relevancy of evidence and concerning any other question of evidence.

RULE 6.104 RECORD FOR INFORMAL AND FORMAL QUASI-JUDICIAL PROCEEDINGS

The following items shall be included automatically in the record of all matters which are quasi-judicial: all written communications received by Council Members or staff concerning an application, the application and application file, the Planning and Development Department report, or other applicable department staff report, resumes of all staff members who testify before the Committee of Reference or the Council, documents previously entered into evidence, minutes or transcripts of previous meetings, any petitions or other submissions from the public and the adopted final order below, if any. The record shall be kept in the custody of the Legislative Services Division

at all times during the pendency of the application. These files will be made available for public inspection upon request at any time during normal business hours.

RULE 6.105 OFFICIAL RECORD OF PROCEEDINGS

(a) Committee of Reference. There shall be only one official record of quasi-judicial proceedings before the Committee of Reference. The Council shall designate and provide for a certified court reporter to attend and record verbatim (by shorthand or mechanical means) quasi-judicial proceedings before the Committee of Reference. The court reporter shall thereafter promptly transcribe those proceedings and identify any and all documentary evidence presented to the Committee of Reference during same.

(b) Council. Generally, Council meetings are not recorded or transcribed by a certified court reporter provided by the Council, and the official record of the Council consists of the tapes, minutes and journal of said meetings. A certified court reporter, however, may be designated by the Council President or the Office of General Counsel to preserve the record of quasi-judicial proceedings before the Council. If such a record is prepared, it shall constitute the official record of those proceedings. If the Council does not provide for a certified court reporter to preserve the record at any such proceeding, a party may select its own court reporter to record and/or transcribe all or a portion of a quasi-judicial proceeding before the Council. Any dispute between the parties to a quasi-judicial proceeding as to the selection of a court reporter and/or the designation of the official record of said proceedings shall be resolved by the parties prior to commencement of the scheduled proceeding.

PART 2. INFORMAL QUASI-JUDICIAL HEARINGS

RULE 6.201 INFORMAL QUASI-JUDICIAL HEARING PROCEDURE

(a) If no person files a timely request for a formal quasi-judicial hearing the Council Secretary shall set the matter for an informal quasi-judicial hearing.

(b) The order of presentation at an informal hearing shall be as follows:

- (1) Disclosure of *ex parte* communications by Council Members
- (2) Swearing of witnesses, if requested
- (3) Staff presentation
- (4) Applicant presentation
- (5) Public hearing
- (6) Rebuttal, if requested
- (7) Deliberation and vote, if applicable

The exclusionary rule shall not apply in these proceedings.

(c) Witnesses are not required to be sworn except upon the specific request of the applicant or a Council Member. Such request must be made at the commencement of the hearing, at which time all individuals desiring to speak on the item shall be collectively sworn by the Council President or Committee Chair, as the case may be. Cross-examination of the witnesses is not permitted and deemed waived by all persons or parties. However, this provision does not prohibit a Council Member from asking a question of any person which is relevant to the matter, and the applicant may reserve the right to question witnesses at the beginning of his/her presentation.

(d) The Planning and Development Department staff, or other applicable department staff, shall present any staff, or other report on the matter. Evidence may be presented through oral testimony of witnesses or documentary evidence or both. The Council or Committee of Reference may request information or call any witness deemed necessary to provide information which will assist the Council in making a complete and informed decision.

(e) At the discretion of the Council President or Committee Chair, as the case may be, any person who is not a party to the proceedings may speak for up to 3 minutes for or against the matter if they complete a registration card at the meeting as provided by the Council Secretary. Although the Council President or Committee Chair, as the case may be, may further grant additional time or limit the time of any portion of an informal hearing devoted to public comment by persons who are not parties to the proceeding, an applicant or a party who would qualify as an affected party under Rule 6.302, as well as any member of the public, may request and the Council President or Chair, as the case may be, shall grant additional time as necessary in order to allow sufficient time to provide information which will assist the Council in making a complete and informed decision based upon substantial competent evidence, without unnecessary repetition and delay.

(f) After the public hearing portion, the Council or Committee of Reference shall deliberate and vote, unless the matter is deferred.

PART 3. FORMAL QUASI-JUDICIAL PROCEDURES

RULE 6.301 FORMAL HEARINGS: WHO MAY REQUEST; PROCEDURES

(a) An applicant and any person or entity entitled to actual written notice, pursuant to Sections 656.124 and 656.136, Ordinance Code, including an eligible registered “neighborhood organization”, as defined in Section 656.124, Ordinance Code, but excluding the affected Citizens Planning Advisory Committee (“CPAC”), in a matter pending before the Council which is quasi-judicial may request a formal hearing before either the Committee of Reference or the Council by filing with the Council Secretary a written request before 5:00 p.m. at least seven (7) calendar days prior to the date upon which the matter is scheduled for a public hearing before the Committee of Reference.

(b) Persons who are not entitled to actual written notice but believe they are an “affected party”, as defined in Rule 6.302(b), may request a formal hearing and determination of affected party status by filing with the Council Secretary a written request for a formal hearing before either the Council Committee of Reference or the Council and a determination of affected party status, as provided in Rule 6.302, before 5:00 p.m. at least seven (7) calendar days prior to the date upon which the matter is scheduled for a public hearing before the Committee of Reference. In the event there are requests for both a Council and a Committee formal hearing, the Committee of Reference shall make the final determination as to which body shall conduct the formal hearing. Failure to timely file a request for a formal hearing may cause the matter to be scheduled for an informal quasi-judicial hearing.

(c) If a person requests a formal hearing as provided in subsection (a) above, or if a person is determined by the Committee of Reference to be an affected party as provided in Rule 6.302 (b) and has requested a formal hearing as provided in subsection (b) above, the Committee may continue the matter and schedule a formal hearing for the next regularly scheduled meeting of the Committee or for another date which is acceptable to the Committee and/or may schedule a formal hearing before the Council.

(d) Regardless of whether the Committee of Reference has conducted a formal hearing or an informal hearing, the Committee of Reference may recommend a formal hearing before the Council either upon the motion of a member of the Committee, at the request of any other Council Member, or at the request of the General Counsel's Office, by an affirmative vote of a majority of the Committee, taken subsequent to the end of the Committee's initial deliberations and vote on that item, but prior to the commencement of deliberations on the next item on the agenda, during the Committee meeting at which the Committee is scheduled to report on the matter to the Council.

RULE 6.302 AFFECTED PARTY DEFINED; DETERMINATION OF AFFECTED PARTY STATUS

(a) An "affected" party is any person who is entitled to actual written notice of a matter before the Council pursuant to Sections 656.124 and 656.136, Ordinance Code, including an eligible registered "neighborhood organization", as defined in Section 656.124, Ordinance Code, but excluding the affected Citizens Planning Advisory Committee ("CPAC").

(b) A person who is not entitled to actual written notice but who believes that he or she is suffering or will suffer an adverse effect to an interest protected or furthered by the Comprehensive Plan or the Zoning Code and can demonstrate that the alleged adverse effects, if shared in common with other members of the community at large, exceed in degree the general interest in community good shared by all persons, or may file a written request for a determination of affected party status at the same time a formal hearing is requested, at least seven (7) calendar days prior to the Committee of Reference meeting at which the matter is scheduled for a public hearing. All requests for a determination of affected party status shall contain a clear and plain statement of what the adversely affected interest is and how the adverse effect if, shared in common with other members of the community at large, exceeds in degree the general interest in community good shared by all persons. The Committee will consider requests for a determination of affected party status at the scheduled public hearing of the bill, immediately prior to considering requests for a formal hearing. The decision of the Committee shall be final. Failure to timely file a request for a determination of affected party status may cause the matter to be scheduled for an informal quasi-judicial hearing.

RULE 6.303 PRE-HEARING CONFERENCE

Any party to the proceedings or any party determined to be an affected party pursuant to Rule 6.302 herein may request a pre-hearing conference with the Council President or Committee Chair, as the case may be, by filing a written request for such conference at least ten (10) days prior to the date scheduled for the hearing. The granting of such request shall remain in the sole discretion of the Council President or Committee Chair, as the case may be. The purpose of the pre-hearing conference is to review the hearing procedures, identify, clarify and simplify the issues, establish parameters for number of witnesses and length of testimony and stipulate to the introduction of evidence, if possible, and resolve other procedural matters in order to expedite the hearing process, and to discuss the possibilities of settlement.

RULE 6.304 THE FORMAL HEARING

(a) The matter shall be introduced by the appropriate staff and such introduction shall include a brief description of the matter.

(b) The Council Members shall disclose any *ex parte* communications which may have occurred, to the best of their recollection, pursuant to the requirements and procedures established in Chapter 50, Part 2, Ordinance Code, prior to the presentation of evidence by the applicant or affected parties.

(c) In the interest of time, all parties and witnesses may be collectively sworn by the Council President or the Committee Chair, as the case may be. The exclusionary rule shall not apply in these proceedings.

(d) The Planning and Development Department staff or other applicable department staff, shall present the staff report(s) or other pertinent information on the matter. Written reports and any other documentary evidence shall become a part of the record. Evidence may be presented through oral testimony of witnesses or documentary evidence or both.

(e) The applicant and proponent affected parties shall present their evidence first. The applicant's presentation may be preceded by an opening statement. Opponent affected parties shall present their evidence second, and their presentation also may be preceded by an opening statement. The applicant then may present rebuttal evidence. During the hearing, evidence may be presented through oral testimony of witnesses or documentary evidence or both, which shall become part of the record. Witnesses may be cross-examined by the applicant and affected parties. The length of presentations and cross-examinations shall be determined by the Council President or Committee Chair, as the case may be, or as determined in the pre-hearing conference.

(f) Any Council Member may request additional information from the staff, any party, or a member of the public, or call any other witness, including a member of the public, deemed necessary to provide information which will assist the Council in making a complete and informed decision. After the direct examination of a witness is concluded, the witness may be cross-examined by the applicant, affected parties or a Council Member. All questions shall be directed through the Council President or Committee Chair, as the case may be, and the witness shall answer the question unless the Council President or Committee Chair deems the question to be irrelevant or immaterial. Any party or Council Member may raise evidentiary objections. Any questions concerning the relevancy of evidence may be referred to the representative of the General Counsel's Office. The Council President or Committee Chair, as the case may be, shall, at his or her discretion, render determinations concerning the relevancy of evidence. At the discretion of the Council President or Committee Chair, as the case may be, The applicant may present rebuttal evidence as to any testimony solicited by a Council Member pursuant to this subsection.

(g) The inquiry under cross-examination shall be limited to matters raised in the direct examination of the witness. No re-direct or re-cross shall be allowed unless requested by a party stating the desired area of inquiry and the request is approved by the Council President or Committee Chair as the case may be. If re-direct or re-cross is allowed, it shall be limited to questions of the witness on issues raised in the cross-examination. This provision shall not limit any Council Member from questioning any person on issues relevant to the matter or application.

(h) The following format is the suggested order of presentation, with corresponding suggested time limits, for each formal hearing:

A request for additional time should be considered to assure fundamental fairness in the proceedings for all parties, as well as the public.

(k) The order of presentation and time limits for all formal hearings may be modified, altered or revised by the Chair or the Council President, as the case may be.

RULE 6.305 PUBLIC COMMENTS

Prior to the close of the quasi-judicial hearing, those members of the public who are not parties to the quasi-judicial hearing may be permitted to speak up to three (3) minutes per person and present their comments, testimony and evidence to the Council or Committee of Reference, as the case may be. RULE 6.308 DELIBERATIONS

Upon receipt of all the evidence, the Council President or Committee Chair, as the case may be, shall close the public hearing. The Council or Committee of Reference shall then deliberate a motion, if necessary, and reach a decision by voting on the motion. In reaching its decision the Council or Committee of Reference may only consider evidence presented at the hearing and base its decision on the substantial, competent evidence of record. The Council Members shall weigh all the competent, material and/or relevant evidence presented, giving each piece of evidence the weight he or she sees fit. As used herein, the term "substantial, competent evidence" means such evidence as will establish a substantial basis of fact from which the fact at issue can reasonably be inferred; such relevant evidence as a reasonable mind would accept as adequate to support a conclusion. The term "competent substantial evidence" does not relate to the quality, character, convincing power, probative value or weight of the evidence but refers to the existence of some evidence (quantity) as to each essential element and as to the legality and admissibility of the evidence. "Competency" of evidence refers to its admissibility under legal rules of evidence. "Substantial" requires that there be some (more than a mere iota or scintilla) real, material, pertinent, and relevant evidence (as distinguished from ethereal, meta-physical, speculative or merely theoretical evidence or hypothetical possibilities) having definite probative value (that is, "tending to prove") as to each essential element. Circumstantial evidence is sufficient. Direct evidence is not required.

RULE 6.309 ORAL ORDER

The Council or Committee of Reference shall: (1) orally issue the direction of a proposed final order, including specific findings supporting the direction issued, which shall be reduced to writing by the representative of the Office of General Counsel and then voted upon, or if not reduced to writing at that meeting, then considered and voted upon at the next meeting; or (2) request that proposed final orders be drafted by the applicant and any affected parties and submitted to the Council or Committee of Reference within ten (10) calendar days of the hearing. In the event the direction of a proposed final order is issued orally and the Office of General Counsel prepares a written proposed final order to be voted on at the next meeting, the Office of General Counsel shall provide the applicant and all affected parties with a copy of the proposed final order at least five (5) days prior to the meeting. The applicant and any affected party may submit a proposed final order to the Council or Committee of Reference at least five (5) days prior to the meeting at which vote on the proposed final order is scheduled to be taken.

If the Council is approving an order, it may be considered for approval either at the meeting at which the order is deliberated or at the next regularly scheduled meeting of Council, at which time the order is in final form. The Council President and the Council Secretary shall execute the order. Within ten days of the execution of the order, the Legislative Assistant shall send, by certified mail, a copy of the order to the applicant and the affected parties. The date of rendition of the order shall be the date of mailing by the Legislative Assistant.
