Performance Unit Plan  
July 2019

## PERFORMANCE UNIT PROGRAM

- Compensation committee proposes adoption of a performance unit plan ("PUP") which would be a new benefit program provided to employees
- It is designed to allow employees to participate in the upside and downside as the business changes
- Employees will be eligible to purchase JEA performance units for \$10 per unit
- Units will increase or decrease in value based on the financial performance of JEA over a 3-year performance period
- Employees will be required to remain employed through the end of the performance period to benefit from any increase in value
- For the first performance period (FY2020 to FY2022) it is recommended that 30,000 performance units be made available for purchase

## EXAMPLE REDEMPTION VALUE OF THE PUPS

- Employee PUP pool equal to 10% of value created in excess of the challenge target value
- Employees must increase the value of JEA by at least \$300 million by 2022 to receive the benefit
- Calculated value is sum of the net position, city contribution and any refunds to customers
