Re: Attached Subpoena; Delivery of Documents Responsive to Categories 1 and 2 on behalf of E&W Development Corporation

Dear Chris:

As you know, we represent E&W Development Corporation and write in response to the above referenced Subpoena. Included herein, please find the link to the documents, Bates-stamped numbered E&W C00001 – C00002 that are being provided in response to Request Numbers (1) and (2) below and due today by agreement. Please note that all searches were conducted using specific search terms, custodians, and date ranges.

For your convenience, we have included a copy of the Subpoena served on E&W Development Corporation, in which you seek the following two categories of documents:

(1) A list of all lobbyists, attorneys, and consultants employed by you in connection with the JEA ITN.

A: We have attached the list as a PDF, numbered C0001-C0002;

(2) Any documents showing that you were or were not given an opportunity to physically inspect JEA assets at any time after January 1, 2018.

A: After a reasonable inquiry and search, we have not identified any documents and have no recollection of any visit.

We trust this addresses your subpoena in accordance with its terms. Of course, do not hesitate to contact me should you have any questions.
