

Tailgating and Parking at TIAA Bank Field

General Parking Lot Information

Parking lots will typically open three (3) hours before commencement of the event (kickoff for Jaguars home games) and will close two (2) hours after the end of each game or event at TIAA Bank Field (the "Stadium"). Parking lot hours of operation are subject to change in the Jaguars' sole discretion.

Face coverings are strongly encouraged in all parking lots.

Your parking pass must be prominently displayed upon entry into the lot and at all times during the game. Vehicles not displaying a valid parking pass are subject to towing at the vehicle owner's sole expense.

The license to use the parking lots applies only to the game noted on the front of the parking pass.

- Use of your parking pass is subject to the terms on the reverse thereof
- Each parking pass entitles the user to one (1) parking space in the specified lot.
- Portable toilets are located throughout the Sports Complex parking lots.
- Trash receptacles are located throughout the Sports Complex parking lots and near the entrances to the Stadium. Please bag and dispose of your trash to make it safer for vehicles exiting the parking lots after the game or other event at the Stadium.

Tailgating Policies

Tailgating is permitted although it is strongly discouraged. Fans should limit tailgating to those individuals within your ticketed seating pod. It is recommended to keep at least six feet of physical distance between fans in other pods.

DIRECTED PARKING. All vehicles must park at the direction of personnel. COVID-19 operations to ensure physical distancing requires 1 parking space between vehicles.

ONE CAR=ONE SPACE: Please be considerate of your fellow ticket holders and fans. Tailgating is limited to the lined parking space and the area directly behind or in front of each vehicle. Blocking the drive lane is prohibited. Tailgating is also permitted on the medians that separate the parking lots and the parking lots from the roadways but not in spaces for physical distancing. The one permit one parking space policy will be strictly enforced. Unmarked lots must follow the spacing directions of parking staff.

You must keep all tables, chairs, coolers, barbecues, etc. within the parking stall of your party. Tents or canopies exceeding 8' x 8' footprint and vehicles measuring more than 18' in length and/or 8' in width are not permitted to park in a lined parking space.

Sound systems must not produce excessive sound as determined by Jaguars or the parking management company in their sole discretion.

Drive aisles and fire lanes must be kept clear at all times for emergency vehicle access.

Ticket holders should cross roadways at the designated crosswalks and should **NOT** walk on the active roadways that lead to and from the Sports Complex.

When attending a Jaguars game at the Stadium, you are required to follow the Jaguars Fan Code of Conduct. Event patrons and guests who violate these provisions will be subject to

ejection without refund and potential loss of season ticket privileges or other privileges for future games.

The Stadium parking lots and garages are specifically for the use of the patrons who are entering the Stadium. Individuals utilizing lots or garages for any other purpose or who, in the opinion of parking management, are disturbing other patrons, loitering or failing to enter or exit the lot in a timely manner may be asked to vacate the premises.

No loitering, open fires, or any related activity is permitted in any parking lot or garage.

Neither the Jaguars nor parking management will be responsible for, or assume liability arising from fire, theft, damage to, or loss of, the vehicle or any article left therein while on the Stadium parking lot.

Parking management reserves the right to direct you to park your vehicle in another lot than the one specified on your parking pass.

Please drink responsibly before the game or event at the Stadium as guests who appear to be impaired in the Jaguars' sole discretion may not be permitted to enter the Stadium.

Remember the NFL Clear Bag Policy that limits clear bags to 12" x 6" x 12" and nonclear bags to 4.5" x 6.5".

Please lock your vehicle and secure all prohibited bags in your vehicle.

All tailgating in stadium-controlled parking lots is prohibited throughout the game.
