

## Landon Middle School Traffic Improvements

### 1. Crosswalk for Minerva Avenue

- Crosswalk installed with static signs and pavement markings

### 2. No Parking signs on Arcadia Place 20' from the crosswalk to Landon Middle School Track

- No Parking signs have been installed
- Crosswalk signs, pavement markings, and ADA sidewalk connections also installed

3. Lower the speed limit for Thacker, Minerva, and Arcadia
  - 20mph speed limit signs were installed throughout the neighborhood
  - "SCHOOL" signs have also been installed.

4. Atlantic RRFBs at Mango and Arcadia
  - RRFB crossings at Mango Place and Arcadia Place have been installed and are in working condition.
  - Tree trimming and additional flashers will be added to improve these crossings.

5. Cost estimate for speed humps on Minerva and Arcadia. Cost estimate for RRFB on Minerva and Arcadia.
- Speed humps: \$21,600
  - RRFB flashers at Minerva and Arcadia crossings: \$ 29,000

6. Crosswalk at Thacker Avenue
- An RRFB crossing was installed at Mango Place, (very close to Thacker Ave.).
  - Crosswalk is usable, but one additional flasher still needs to be installed on the other side of the palm tree.
  - Cost: \$36,648
