

# Jacksonville Sheriff's Office

Duval County, Florida

Mike Williams, Sheriff

501 E. Bay Street  
Jacksonville, FL 32202

May 24, 2018

Angela Moyer  
Budget Officer  
117 West Duval Street, Suite 325  
Jacksonville, Florida 32202

Dear Ms. Moyer,

The Jacksonville Sheriff's Office is requesting approval to transition the patrol and traffic vehicle fleet to the Ford Interceptor Utility Vehicle. The current patrol and traffic vehicle fleet consist of Chevrolet Pursuit Impalas, Ford Police Interceptor Taurus sedans and Ford Police Interceptor Utility Vehicles.

I have listed several factors that support the Jacksonville Sheriff's Office request for transitioning to the Ford Interceptor Utility Vehicle:

- Safer vehicle with a rear impact crash rating of 75 mph
- All-wheel Drive, allowing for better traction when operating in emergency mode.
- Larger Interior Cabin that will accommodate equipment installed inside of the vehicle.
- More interior room for Field Training Officers training Police Recruits while working 11.42 hour shifts.
- The durability of the Ford Interceptor Utility Vehicle is best suited for the urban and rural areas Officers patrol.
- Towing electronic message boards and radar trailers.
- Ford is discontinuing production of the Police Interceptor Sedan in the spring of 2019.

Thank you for your consideration and support regarding this request. Please contact me if you have any questions at 630-2120.

Sincerely,

*Tony Davis*

Tony Davis  
Director of Police Services
